Global Industry Analysis, Size, Share, Trends,
Growth and Forecast 2021"*

PUNE, INDIA, November 28, 2017
/EINPresswire.com/ --

[Underground Mining Equipment Market 2017](#)

Mining equipment such as trucks, dozers, drillers, hydraulic pumps, conveyor belts, and compressors are used to extract natural resources like metals, coal, and minerals (including iron ore, titanium, and bauxite).

Underground mining involves mineral production by extracting natural resources from beneath the earth's surface. The mining methods required for underground extraction are selected based on parameters such as geographical conditions, spatial and geometric characteristics, economic value of ore, estimated operational costs, and availability of raw materials.

The analysts forecast the global underground mining equipment market to grow at a CAGR of 4.04% over the period 2014-2019.

The report, Global Underground Mining Equipment Market 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the Americas, APAC, and EMEA; it also covers the landscape of the market and its growth prospects in the coming years. The report includes a discussion of the key vendors operating in this market.

Key regions

- Americas
- APAC
- EMEA

Key vendors

- Caterpillar
- Joy Global
- Komatsu
- Sandvik

Other prominent vendors

- Boart Longyear
- Doosan Infracore
- Eickhoff
- FLSmidth
- Hitachi Construction Machinery
- Kennametal
- Liebherr-International
- Metso
- ThyssenKrupp
- Volvo

Market driver

- Growing demand from coal mining industry
- For a full, detailed list, view our report

Market challenge

- Stringent government regulations
- For a full, detailed list, view our report

Market trend

- Optimizing efficiency using energy-efficient underground mining equipment
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2019 and what will the growth rate be?
- What are the key market trends?

- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?

Any Query, Submit Here @ <https://www.wiseguyreports.com/enquiry/781584-global-underground-mining-equipment-market-2015-2019>

Table of Contents –Analysis of Key Points

PART 01: Executive summary

Highlights

PART 02: Scope of the report

Market overview

Top-vendor offerings

PART 03: Market research methodology

Research methodology

Economic indicators

PART 04: Introduction

Key market highlights

PART 05: Market landscape

Market size and forecast

Five forces analysis

PART 06: Market segmentation by application

Global underground mining equipment market by coal mining

Global underground mining equipment market by metal mining

Global underground mining equipment market by mineral mining

PART 07: Market segmentation by types of mining extraction

Global underground mining equipment market by longwall extraction

Market size and forecast

Global underground mining equipment market by room and pillar extraction

PART 08: Market segmentation by geography

Underground mining equipment market in APAC

Underground mining equipment in Americas
Underground mining equipment market in EMEA

PART 09: Market drivers

Growing demand from coal mining industry
Increased mining activities worldwide
High demand from cement industry
Rise in need for mined products in manufacturing industry

PART 10: Impact of drivers

PART 11: Market challenges

Stringent regulations worldwide
Aging workforce
Issues concerning water resources

PART 12: Impact of drivers and challenges

PART 13: Market trends

Optimizing productivity with energy-efficient equipment
Mining automation processes
Focus on efficiency of mining machinery

PART 14: Vendor landscape

Other prominent vendors

PART 15: Key vendor analysis

Caterpillar

Joy Global

Komatsu

Sandvik

.....Continued
