

# UK RAF to provide strong host nation support at Air Mission Planning and Support conference 2018

*SMI reports: UK RAF to provide strong host nation support at SMI's Air Mission Planning and Support conference in April 2018*

LONDON, WATERLOO, UNITED KINGDOM, November 29, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- SMI's [Air Mission Planning and Support](#) conference, taking place on 17th and 18th April 2018 in London, will explore the technology and strategies necessary to take air mission planning into the next generation, providing agile end-to-end mission support to air crews. The conference will deliver an examination of emerging technologies in key areas, presented by industry and research leaders. This will be combined with operational case studies and key programme updates from commanders and military project leaders, to develop key requirements and solutions for enhancing air mission planning and execution.
