Description

WiseGuyReports.Com adds" Global Password Management Market 2015-2019 "Research To Its Database.

Password management is a software solution that helps to store and organize passwords. It is widely used by the end-users to secure, audit, manage, and monitor all activities associated with privileged accounts. This solution helps to secure the privileged users' accounts that exists on network appliance, server, and desktop operating system of an IT infrastructure. Password management is used as a tool for governance and information security.

Covered in this report

This report covers the present scenario and the growth prospects of the global password management market for the period 2015-2019. To calculate the market size, the report considers the revenue generated from password management software licenses, implementations, subscriptions, support, maintenance, and professional services.

The Global Password Management Market 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects in the coming years. The report also includes a discussion of the key vendors operating in this market.

Key regions

- Americas
- APAC
- EMEA

Key vendors

- Avatier
- Courion
- FastPass
- Hitachi ID Systems
- IBM

Other prominent vendors

- CA Technologies
- Centrify
- Dell Sonicwall
- Google
- Microsoft
- NetIQ
- Quest Software
- SailPoint
- Symark International

Market driver

- Increased use of smart devices
- For a full, detailed list, view our report

Market challenge

- Lack of efficient security measurements
- For a full, detailed list, view our report

Market trend

- Increased adoption of SaaS-based password management solutions
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2019 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?
