

Rev. Dennis Wilson of God's House of Prayer of the True Worshiper to be Featured on CUTV News Radio

HOUSTON, TEXAS, UNITED STATES, November 30, 2017 /EINPresswire.com/ -- John 4:23-24: "But the hour is coming, and is now, when the true worshiper will worship the Father in spirit and truth. For the Father is seeking such to worship him. God is spirit and those who worship him must worship in spirit and truth."

According to scripture, a true minister is someone that He himself through the Holy Spirit of Christ has called to be a leader in the fellowship of the Body of Christ. There are thousands of people inspired for God's word who believe they have been called to preach it, but a desire to be a minister doesn't necessarily qualify you in God's eyes.

Reverend Dennis Wilson is the founder of God's House of Prayer of the True Worshiper, an online ministry dedicated to spreading the gospel as He has given it and not by man's interpretation.

"God is faith by grace, plain and simple," says Reverend Wilson. "There is one God, one Savior, one salvation, one baptism, and that's it! It's all God and the Holy Spirit."

“

The people who are the true worshipers are the ones that worship Him through the Holy Spirit of Christ by walking in His spiritual example and living a spiritual life."

Rev. Dennis Wilson

Our covenant salvation with God is between each and every individual and God himself, says Rev. Wilson. On the day of Resurrection, when we stand before His judgment, He's already written His law on our hearts and minds. He's done all the work to make sure that we had access to His word as He gave it. And He will judge us on the intent of our heart as to whether we are following what He has told us to do in His work.

"God is holding all of us responsible for knowing and living by what He says," says Rev. Wilson. "The people who are the true worshipers are the ones that worship Him through the Holy Spirit of Christ by walking in His spiritual example and living a spiritual life."

Rev. Wilson believes the problem with most churches today is that they preach false doctrine. They're

preaching the doctrine to fit their life instead of making their life fit the doctrine of God.

“When it comes to dealing with God's word and dealing with His people to put forth His love and desire for His people, it always has to be done in the light that God sees it, not the way that we see it,” says Rev. Wilson.

Rev. Wilson has worked with 1,000 ministers and their congregations through the internet and all across the world.

“I don't come to them as Rev. Dennis Wilson, but rather as a servant shepherd God called to listen attentively,” says Rev. Wilson. “Whether it's just asking for a simple prayer or whether they're asking for guidance, it's always a matter of redirecting them back to God's word, and showing them what God says needs to be done in order to walk the godly life.”

CUTV News Radio will feature Rev. Dennis Wilson in an interview with Jim Masters on December 4th at 1pm EST and with Doug Llewelyn on November 11th at 1pm EST.
