

Gov. Cuomo Ignores Hundreds of Complaints from Leading Advocate of Cover-Ups of Sexual Assaults & Rapes

Gov. Andrew Cuomo followed in the same footsteps & mistakes of Penn State & Catholic Church leaders, choosing to look the other way to protect sexual predators

ALBANY, NEW YORK, UNITED STATES, November 30, 2017 /EINPresswire.com/ -- You would think [Governor Cuomo](#), other leaders and institutions would have learned from the horrific atrocities and grave mistakes from two largest sex scandals of all time. When anyone or any institution looks the other way and does not take immediate actions to stop and arrest sexual predators, pedophiles and rapists, these very sick people continue to assault, violate, traumatize and rape many other vulnerable victims.

Enough is Enough Governor Cuomo of bypassing 911 for the disabled

Complaints were made to [Penn State officials](#) about one convicted sexual predator, Jerry Sandusky, they were ignored, and Sandusky continued to violate other young men

“

Governor Cuomo must be arrested and prosecuted for his long term involvement in the most heinous criminal conspiracy to protect sexual predators within his agencies in New York State's history.”

Michael Carey - Advocate for people with disabilities and their families

<https://www.cbsnews.com/feature/the-penn-state-scandal/> . Instead of Penn State leaders stopping Jerry Sandusky and ensuring his immediate arrest, they protected him. Penn State will be forever remembered for these shameful acts of protecting just one sexual predator https://en.wikipedia.org/wiki/Penn_State_child_sex_abuse_scandal . Penn State leaders were convicted for their crimes. <https://www.usatoday.com/story/sports/ncaaf/2017/06/02/penn-state-jail-sentence-child-endangerment-graham-spanier-tim-curley-gary-schultz/102426832/> Penn State has paid out massive restitution to the victims of the sexual abuse by Jerry Sandusky. <https://www.foxsports.com/college-football/story/penn-state-payouts-on-sandusky-abuse-claims-now-top-100m-111017>

Complaints after complaints went into [Catholic Church](#) leaders, Bishops and Cardinals, regarding many hundreds of pedophile priests being shuffled around from parish to parish <https://www.youtube.com/watch?v=56jw6tasomc>. These pedophile priests continued to do what they are compelled to do which was to rape and sodomize vulnerable little boys and girls

The Catholic Church and many of their leaders could have done what was right from the beginning, but they chose to hide these disgusting, sinful and criminal acts and chose to protect the pedophile priests instead of the children <https://www.bostonglobe.com/news/special-reports/2002/01/06/church-allowed-abuse-priest-for-years/cSHfGkTlrAT25qKGvBuDNM/story.html> . The end results is believed to be the greatest public shame and disgrace of all time, also resulting in billions of dollars in payouts to the sexual assault victims.

Fast forward to right now, hundreds of complaints have been made by Michael Carey of the cover-ups of most sexual assault and rapes and many other crimes against people with disabilities and mental health problems within Governor Cuomo's agencies, they all have gone ignored. The next greatest sex scandal unfolding which is almost identical to the Catholic Church sex scandal, surrounds Governor Cuomo and the horrific sex crimes of countless children and adults with disabilities and cover-ups of most of them. You can literally say what was done within the Catholic Church is mirrored within the New York State mental health care system. Here is just one of the thousands of sexual assault and pedophile stories that surfaced only because this pedophile was caught in a federal porn sting.

Remember this statement made by a convicted pedophile of Cuomo's system, let it be burned within your heart and mind, it is "a predators dream."

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Another very powerful example again of thousands of sexual assaults or rapes within New York State's mental health care system;

In March of 2011 the first of a massive series of investigative reports done by the New York Times came out regarding New York's extremely dangerous and deadly mental health care system <http://www.nytimes.com/2011/03/13/nyregion/13homes.html> . Michael Carey convinced the New York Times to do this massive award winning series which was a runner up for a Pulitzer Prize <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html> . The person mentioned in this first piece regarding sexual abuse, is Rick Sousie and this is what is quoted in the Times;

"Five years ago, Mr. Sousie, then 47, was working at the home in Hudson Falls, about 50 miles north of Albany. After a co-worker saw him alone and standing between the legs of the severely disabled woman, who was lying on her back, the police were alerted. The victim was taken to the hospital, where a rape kit was administered, and Mr. Sousie was placed on administrative leave."

Some paragraphs later, his disturbing defense claim, "Mr. Sousie, in an interview, denied that he had

been involved in a sexual assault.”

“I was tucking in my shirt, and I got accused of raping a client, that’s what happened,” he said. When it was pointed out that his lawyer had, as a defense, argued that Mr. Sousie had been masturbating — hence the presence of physical evidence — he conceded, “That’s the defense that we used, yes,” but declined to elaborate.

"Attorney General Cuomo and now Governor Cuomo have done everything possible to try to protect this sex cover-up scandal with a vengeance for over a decade <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . State data, as well as this well known study found on the State of Massachusetts website titled, Prevalence of Violence, <http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html> point to possibly one third of developmentally disabled residents within Governor Cuomo’s OPWDD system being sexually assaulted annually. In the OPWDD system of 126,000 developmentally disabled children and adults, many of whom cannot speak to tell anyone anything, there are upwards of 43,000 victims of sexual assaults or rape every year. Try to wrap your mind around the scope of what I am bringing to your attention and the fact that Governor Cuomo is protecting, not stopping this evil.” - Michael Carey

Michael Carey, a leading advocate for people with disabilities and their families has submitted literally hundreds of written complaints to Attorney General Cuomo and Governor Cuomo over the course of many years. Both Attorney General Cuomo and Governor Cuomo chose to do what Penn State and Catholic Church leaders did, allowing God only knows how many sexual predators, pedophiles and rapists to continue to violate and severely harm girls and boys as well as adults with disabilities <http://www.newscenter1.tv/story/36926154/exposing-how-ny-gov-cuomo-protects-sexual-predators-pedophiles-rapists> . To date, nothing significant has been done to stop and ensure the immediate arrests and convictions of these sexual predators.

The New York Times blasted Governor Cuomo for not taking dramatic actions to stop and prevent these abuses and many other forms of abuse or deaths within New York State’s extremely dangerous system. Governor Cuomo ignored all of Michael Carey’s calls for actions to stop these crimes and the New York Times Editorial Boards call for reforms. Over four years ago, the New York Times Editorial Board came out strong chastising Governor Cuomo for doing nothing to stop these horrors as documented. <http://www.nytimes.com/2013/08/10/opinion/protecting-the-most-vulnerable.html>;

“Two-and-a-half years ago, The Times reported horrifying abuse of people with developmental disabilities or mental illnesses by state employees, who were rarely punished for it. Gov. Andrew Cuomo promised action. But too little appears to have changed.”

“There is much the governor could do. He could require surveillance cameras in these facilities, just as prisons have them. He could make sure that the police get more involved.”

The Editorial Board made these public statements because Governor Cuomo took no significant actions to stop the wide-scale abuse and cover-ups. Governor Cuomo ignored the massive New York Times “Abused and Used” investigative reporting series which was a runner up for a Pulitzer Prize <http://www.nytimes.com/2013/08/09/nyregion/state-lagging-on-dismissals-in-abuse-cases.html>.

Governor Cuomo must be arrested and prosecuted for his long term involvement in the most heinous criminal conspiracy to protect sexual predators within his agencies in New York State’s history.

No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be

immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protect sexual predators, pedophiles and rapists must be held accountable.
