

# Akanagi Group Selects One of The World's Leading Financial Software Companies for Electronic Trading

*The partnership to provide dedicated trading infrastructure to Akanagi Group through its leading-edge products to global institutional investor clients*

TOKYO, KANTO, JAPAN, November 30, 2017 /EINPresswire.com/ -- [Akanagi Group](#), a Pan Asian asset management business with experience across a range of asset classes that manages investments on behalf of individual clients, institutional investors and pension funds, wholesale distributors and platforms, financial advisers and their clients, today announced that it has selected one of the world's leading financial software companies. By

integrating the global execution platform and dedicated environment, Akanagi Group will provide its clients with an independent trading environment, giving them the ability to customize their trading strategies and differentiate their services.

Lewis Kaneko, Global Head of Execution Services at Akanagi Group, said: "Our new partner provides best-in-class infrastructure, an aligned agency business model, innovative software, and industry expertise. Integrating these new products will help immediately advance our clients' trading capabilities through a comprehensive array of highly regarded localized products and dedicated product management staff."

"The consultative and responsive approach we take to designing the trading process, combined with our transparent and discreet agency focus, makes us a trusted extension of our clients' trading desks. This new technology and intellectual capital – a continued investment in our electronic trading capability – provides Akanagi Group's clients with an enhanced trading experience and superior execution outcomes," added Mr. Kaneko.

One company official, said: "We are pleased to be involved in the expansion of Akanagi Group's global execution offerings. Our industry-leading infrastructure and software provides a dedicated trading environment, giving Akanagi Group's clients the freedom to adapt and tailor their strategies. We look forward to developing our relationship with Akanagi Group."

## About Akanagi Group

Akanagi Group is a Pan Asian asset management business with experience across a range of asset classes and a specialist investment company by market sectors.. The firm manages investments on behalf of individual clients, institutional investors and pension funds, wholesale distributors and platforms, financial advisers and their clients. The Group's specialist investment teams set their own

investment philosophy and processes. They share a commitment to acting in our clients' best interests and to generating long-term portfolio performance. Akanagi Group focuses on Japanese stocks with earnings growing, which will be priced in eventually. The company's belief is that it can find growing companies even in the mature Japanese market. Through significant knowledge and experience, it evaluates quality and sustainability of earnings growth, and select stocks that it can hold over a long-time horizon.
