

Massey Consulting Announces Sponsorship of NCTA Leadership Social Event

This December, Massey Consulting is sponsoring the Board of Advisors leadership holiday event for the North Carolina Technology Association.

RALEIGH, NC, UNITED STATES, December 5, 2017 /EINPresswire.com/ -- Massey Consulting is happy to announce that we will be sponsoring the 2017 North Carolina Technology Association end-of-year event. This Leadership Holiday Social is intended for the NCTA's Board of Advisors, some of the organization's most active members.

This VIP holiday festivity will be held on Wednesday, December 13th, serving as the platform for enjoyable engagement and networking opportunities between local NCTA members. The event will be located at Mez Contemporary Mexican Grill in Durham, NC.

Massey Consulting's founder, Philip Massey, will deliver a short presentation to all members at the start of the evening.

The NCTA Board of Advisors are individuals who participate in high-level engagement and visibility for the organization throughout the year. These members are a valuable resource to North Carolina's tech districts, as they aid in the organization's growth through diverse ways of community outreach. Members also provide advice and feedback on the industry, while always promoting NCTA as the state's main technology division.

Massey Consulting has been a member of the Board of Advisors for almost a year now. In the past, Massey has contributed to the knowledge base of NCTA members, keeping them updated on FASB changes that impact accounting practices for technology organizations, particularly SaaS companies.

In May 2017, NCTA hosted a "lunch and learn" for its members, where Philip Massey, President of Massey Consulting, delivered a presentation on '7 Ways Legacy Software Can Cost You Money and Put You at Risk'.

Massey Consulting has also supported the NCTA's State of Technology conference as both a sponsor/exhibitor and attendee.

"Massey Consulting has always had a visible presence in the accounting and technology community, but it is a special pleasure to kick off the holiday season with such a great organization, along with successful local business owners and technology professionals," says Philip Massey.

More about Massey Consulting

Founded in 2002, Massey Consulting is an accounting software reseller for Microsoft Dynamics GP and the best-in-class financial solution, Sage Intacct. Our consultants, controllers, and information solution experts are certified in each of the software solutions we offer and ensure we go the extra mile to make sure our clients are satisfied! Our customers benefit from efficient, integrated solutions that allow them to focus more on their business and less on their software. Massey Consulting

currently serves over 80 clients across the United States and Canada. www.masseyc consulting.net

About North Carolina Technology Association

Founded in 1993, the North Carolina Technology Association (NCTA) is a 501(c)(6) not-for-profit association focused on advancing the state's tech industry. NCTA has 700+ member companies, organizations, and institutions representing more than 200,000 North Carolina-based employees. NCTA brings together executives around the business of technology for peer interaction, educational programming, information share, relationship building, and networking. www.nctechnology.org
