Vickers*

“Vickers seeks to create long term value for our investors by investing in and building a stable of companies with large growth potential. With people on the ground trawling for deals, Vickers’ competitive advantage stems from its multi-nationality, its experience and knowledge of the markets, its network of government and industry leaders, and its track

record in the region and beyond. Therefore, it became essential for us to have a platform that effortlessly [centralized our institutional knowledge](#). DealCloud’s mobile app is perfect for our deal team as they are able to update deals on the go with no interruptions,” describes Chris Ho, Vice President at Vickers.

“It has been very exciting and an honor to work with Vickers, which has been ranked No. 4 in the world across all funds globally and is the most highly awarded Asian VC. Streamlining their fundraising efforts so that they are able to put [their capital to work](#) is a pleasure as Vickers cover such a wide range of industries across the globe,” states Ben Harrison, Co-Founder and CRO at DealCloud.
