

Gov. Cuomo & Cardinal Dolan Do Not Dispute Allegations of Protecting Sexual Predators & Pedophiles

Gov. Andrew Cuomo and Cardinal Timothy Dolan' remain silent as countless sexual predators and pedophiles continue to rape vulnerable victims with disabilities

ALBANY, NEW YORK, UNITED STATES, December 2, 2017 /EINPresswire.com/ --

For over ten years Attorney General Cuomo and then [Governor Andrew Cuomo](#) have protected countless sexual predators, [pedophiles](#) and rapists within State run and private mental health facilities and group homes from firing and prosecution

Enough is Enough Governor Cuomo of bypassing 911 for the disabled

For the last few years Cardinal Timothy Dolan has ignored many complaints and pleas for help for the disabled victims by leading advocate Michael Carey, forcing Carey to publicly expose [Cardinal Dolan](#) -

The complaints to Cardinal Dolan were about the rampant abuse of the disabled and the cover-ups. The over a dozen complaints were also about Governor Cuomo and his actions and his in-actions that have allowed countless sexual assault victims throughout the New York State mental health care system to be raped or sodomized by known sexual predators. In numerous written complaints Michael Carey asked Cardinal Dolan to intervene to protect the most vulnerable, but Cardinal Dolan instead chose to protect Governor Cuomo and the sexual predators, pedophiles and rapists. It reminds me of the award winning movie "Spotlight" that visually brought to light the most scandalous sex cover-up scheme ever

“

Gov. Cuomo is protecting sexual predators posed as caregivers & continues to shuffle them from group home to group home, just like the Catholic Church shuffled pedophile priests from parish to parish.”

Numerous allegations of Governor Cuomo's direct involvement in the purposeful cover-ups of most of these horrific sex crimes have not been disputed by Governor Cuomo. Gov. Cuomo is protecting

sexual predators posed as caregivers and continues shuffle them from group home to group home, just like the Catholic Church shuffled pedophile priests from parish to parish.

Yesterdays National Press Release regarding Cardinal Dolan's involvement in protecting Governor Cuomo and countless sexual predators and pedophiles also has not been disputed by Cardinal Dolan <https://www.einpresswire.com/article/418825149/cardinal-timothy-dolan-s-silence-for-years-has-protected-cuomo-countless-sexual-predators-pedophiles>. The fact is both Governor Cuomo and Cardinal Dolan can attempt to try to dispute these allegations, deny, lie or spin their involvement, but the email and paper trail for years, speak volumes of truth.

The sex assault and rape victims within New York State's mental health system made up of thousands of extremely dangerous State and private facilities and group homes deserve justice and restitution for the crimes committed against them, just like the Catholic Church pedophile priest victims.

The exact same sick pattern of internal cover-ups and shuffling around of pedophile priests from parish to parish exposed by the Spotlight Investigative Reporting Team of the Boston Globe is going on in Governor Andrew Cuomo's system. Make no mistake about it this evil and these horrific crimes are occurring in astronomical scope throughout New York State and in your communities. The Catholic Church after they were exposed were forced to finally remove hundreds of pedophile priests and pay their victims restitution, but what about everyone that committed suicide because they could not deal with the pain and trauma, the torment they suffered at the hands of these pedophiles priests protected by church hierarchy?

Here is an extremely powerful statement made by one of the Spotlight investigative reporters regarding Cardinal Bernard Law <http://www.wbur.org/news/2015/09/22/cardinal-bernard-law> ,

"The fall of Law began with a press conference he called in mid-January 2002 — one week after a story published by The Boston Globe revealed that he had protected pedophile priests in the Boston Archdiocese.

The scene was Nixonian. A favorite of Pope John Paul II and a close friend of both Bush presidents, Cardinal Law was a red-hatted power broker in Washington and Rome — the two capitals that counted most. But he was under siege — and his assertions were bold.

"There is no priest in an assignment in this archdiocese whom we know to have been guilty of child abuse," he said in response to questions.

The Globe's Spotlight team of investigative reporters had revealed that Law and other bishops before him had covered up the priests' crimes against children, then moved the priests to new parishes and, as it turned out, new victims.

But during that press conference, the cardinal insisted not once, but three times that it was all in the past. Not a pedophile priest was still in service.

"When he made those statements, we knew they were false," says Globe editor Walter Robinson, who was on the team that uncovered the abuse.

The Globe had a list of accused priests who were still in service and a wave of documents would shred what was left of Law's credibility."

"He had literally stood before the archdiocese and lied through his teeth." - Boston Globe reporter Michael Rezendes

The New York State mental health care system under Governor Andrew Cuomo's total control is rampant with sexual abuse and rapes and the cover-ups of most are standard operating procedure. Countless sexual predators, pedophiles and rapists run wild literally violating anyone they so choose and both Governor Cuomo and Cardinal Dolan have and continue to look the other way. Cardinal Dolan knows of these facts and he has chosen to continue to be silent and complicit which is believed to be an attempt to protect and shield Governor Cuomo <https://www.governor.ny.gov/news/governor-cuomo-announces-timothy-cardinal-dolan-week-new-york-state> - <http://www.cny.org/stories/Cardinal-to-Head-Governors-Interfaith-Advisory-Council,14987> Both Governor Cuomo and Cardinal Dolan have grossly failed in their responsibilities to ensure the protection of countless lives, they must be removed from being able to continue to protect sexual predators, pedophiles and rapists that prey on the most vulnerable.

Most sex crimes as well as many other crimes and deaths are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held accountable.
