

Chuck Magee Launches Roofing Construction CRM, SSA Store Share Access Setting the Pace for the Construction Industry

Chuck Magee launches easy to use roofing industry CRM, SSA Store Share Access will set a new standard in customer experience for roofing contractors.

BATON ROUGE, LOUISIANA , UNITED STATES , December 6, 2017
/EINPresswire.com/ -- [Store Share Access](#) (SSA) is an easy-to-use software application that facilitates management, organization and teamwork for improving customer-management relations. Customer relations management (CRM) systems are utilized by companies large and small in all types of industries, including the roofing industry.

Always seeking to improve the customer experience as well as advance his premier consulting company, [Chuck Magee](#) has launched the SSA CRM. As an affordable and easy way for the roofing experts at any roofing company to better manage their everyday operations, Chuck quickly realized that SSA was an ideal option in the hard to use world of CRMs.

“

Store Share Access will be the only CRM that will be able to be used from top to bottom in a roofing construction company, from crew chief to owner”

Chuck Magee

“SSA brings a truly easy to use CRM to the roofing industry,” Chuck says. “Store Share Access will be the only CRM that will be able to be used from top to bottom in a roofing construction company, from crew chief to owner.”

From launching intuitive client portals to utilizing advanced roofing methods, Chuck has long since recognized and embraced new technologies and methods in the roofing construction industry. A feature-rich and customizable CRM was just the next logical step in continued evolution. The only roofing CRM with 100% hands on configuration so contractors can keep on working and not have to take webinar after webinar.

Using SSA, the roofing experts and staff at [Roofing companies](#) nationwide will be able to manage and execute a multitude of tasks from any location, using any smart device, across different platforms. Additionally, staffs will be able to quickly access files and documents both in the office and while in the field, subsequently being able to better serve clients who call with questions or seeking information about current and future projects.

SSA also offers all its new users industry-specific features that will serve to improve productivity,

marketing, sales and lead generation. And being able to access order summaries, shingle reports, warranty information and job status reports with just a few clicks meaning better customer relationship management overall.

As a well-known, reputable and leading roofing contractor for many years in Louisiana and Mississippi, Chuck Magee has always strived to offer improved services and a commitment to excellence. Launching SSA will enable Chuck to continue his strong reputation as one of the leading experts in the roofing industry.
