

Louisville-based eLeaP Named in Capterra's Top 10 Most User-Friendly Learning Management Software

For the second year in a row, eLeaP has been named to the top 10 most user-friendly Learning Management System software list by Capterra, a Gartner company.

LOUISVILLE, KY, USA, December 4, 2017 /EINPresswire.com/ -- Telania, LLC. announced today that its eLeaP LMS Platform has been named a Top 10 Most User-Friendly [Learning Management software](#) product by Capterra (a Gartner division), a free online service that helps organizations find the right software.

Company President Don Weobong, had this to say about this awesome recognition, "For the second year in a row, Louisville-based eLeaP has out-

performed some of the biggest names in the industry. We continue to give thanks to our customers, team members and our hometown for their continued support since 2003! We got into this space to help organizations solve tough business challenges using engaging, interactive and trackable learning and training. We still wake up each day to this unique opportunity to be of service to many diverse and awesome clients and for that, we are eternally grateful".

Wow! For the second year in a row, eLeaP has out-performed some of the biggest names in the industry. We continue to give thanks to our customers and team members for the continued support since 2003!"
