Chalet Les Anges won the coveted prize of 'Best Ski Chalet in Switzerland' and also scooped the top accolade of the night, as the 'Best Ski Chalet in the World'. It is easy to see why this luxurious 7-bedroom ski chalet received two prestigious awards beating off huge competition from other chalets in Zermatt, Verbier and many others.

"Les Anges is without a doubt the best chalet in the alps. The luxury home is set in the very exclusive Petit Village area of Zermatt in Switzerland" says Linda Browne Marketing Manager with [Exceptional Villas](#). Without a doubt, the magical

light and incredible scenery in Zermatt has inspired this beautiful 7 bedroom chalet. It features huge panoramic windows which open right up to take full advantage of the spectacular Matterhorn views. The picturesque village of Zermatt is just a short stroll away.

The town of Zermatt is like a picture postcard and is one of the only two resorts in Switzerland that is entirely car-free. The skiing, the shopping, the town itself are all amazing, but without a doubt, the crème de la crème of any visit to Zermatt is the luxury chalets and the mountain restaurants.

Les Anges comes fully staffed in the Winter Season and offers Bed and Breakfast rates in the Summertime. When you stay at Les Anges, you will be personally cared for by the wonderful team of staff including the chalet manager, housekeepers and your own personal chef who will prepare

gourmet meals throughout your stay.

One of the highlights of this incredibly luxurious Ski chalet is the Wellness area which features natural stone and a central water feature, massage room, hammam steam room, sauna, and shower. What's more, you have direct access to the terrace with incredible Matterhorn views and 3m2 power jet plunge pool. For added convenience, guests have access to the Ski room with heated boots racks.

Whether you are looking to travel to Zermatt in Summer or Winter time there is only one chalet in Zermatt that has been recognised as the World's very best ski chalet and that is Les Anges.

One of the other most prestigious awards of the night was awarded to Val Thorens Resort which has taken the title of 'World's Best Ski Resort'. The legendary French resort - the highest resort in Europe - was the big winner at the ski tourism's event of the year which welcomed the elite of the ski hospitality industry to Austria.
