

Gov. Cuomo & Cardinal Dolan Protect Sexual Predators & Pedophiles in Sex Cover-up Scandal

Day 5 of exposing Gov. Cuomo and Cardinal Dolan's combined efforts to protect institutions over sexual assault and rape victims, with no denial of allegations.

ALBANY, NEW YORK, UNITED STATES, December 5, 2017 /EINPresswire.com/ -- [New York State](#) and the [Catholic Church](#) are working together to cover-up and conceal another institutional sex scandal of epic proportion similar to what the Boston Globe, Spotlight investigative reporters uncovered. <https://www.youtube.com/watch?v=56jw6tasomc>

Enough is Enough Gov. Cuomo and Cardinal Dolan, bypassing 911 when rapes are committed against people with disabilities and protecting sexual predators and pedophiles are crimes

Follow the money and connect the dots, the two most powerful leaders in New York State, Gov. Cuomo and Cardinal Dolan are protecting sexual predators, pedophiles and rapists that violate vulnerable people with disabilities. Billions of dollars are at stake along with massive public shame and many people losing their jobs, the church and State's conclusion-cover it up.

The Jonathan Carey Foundation and its founder, Michael Carey, are not going to allow this evil and these criminal cover-ups to continue. The top people involved in this sex cover-up scandal and Medicaid Ponzi scheme are [Governor Andrew Cuomo](#) and Cardinal Timothy Dolan. Both of these leaders must be exposed for their involvement and they both

must swiftly resign. Governor Cuomo and Cardinal Dolan have and continue to ignore the safety, health and rights of thousands of sexual assault and rape victims and instead are protecting countless sexual predators, pedophiles and rapists from prosecution.

You would have thought the Catholic Church would have learned its lesson after paying out billions to sexual assault and rape victims by pedophile priests that were shuffled from parish to parish https://www.huffingtonpost.com/2014/04/04/sex-abuse-catholic-church_n_5085414.html. Over 3 billion in payouts to the victims of pedophile priests by 2014, which must be significantly higher now.

New York State's Cardinal Dolan and the Catholic Church had to come up 100 million to pay pedophile priest sex victims early this year <https://www.reuters.com/article/us-new-york-archdiocese/new-yorks-catholic-church-seeks-100-million-loan-to-pay-priest-victims-idUSKBN1685JW>. Cardinal Dolan, according to the New York Times, was already involved in protecting vast amounts of Catholic Church funds, many tens of millions, from going to pedophile priest sex victims. New York State's mental health care system is no different than the Catholic Church sex scandal, the sexual assault, rapes and sodomizing of vulnerable children and adults with disabilities is astronomical in scope. The purposeful protection of most of these sexual predators, pedophiles and rapist caregivers is the exact same as what the Catholic Church was exposed doing. Governor Cuomo and other top State leaders have made sure 911 is bypassed so local police cannot respond to these horrific and heinous sex crimes and Cardinal Dolan has refused to intervene. Billions of federal tax dollars that are supposed to provide safe care and services are not being used to protect the disabled, but to enrich politically connected individuals and entities, including the Catholic Church.

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo's direct involvement. <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2>

Governor Andrew Cuomo and Cardinal Timothy Dolan have worked hard together to protect institutional sex abuse and cover-ups of most of these crimes. In attempts to protect their institutions and vast amounts of money, they have negated their responsibilities to the most vulnerable people they are supposed to serve and protect. Both Governor Cuomo and Cardinal Dolan must be removed from their positions of authority as swiftly as possible. Covering-up or aiding and abetting in the cover-ups of literally thousands of sexual assaults and rapes of people with disabilities are far worse crimes. Governor Cuomo and Cardinal Dolan have allowed countless sexual predators, pedophiles and rapists to continue to remain in the mental health care system to be able to severely harm and rape thousands of vulnerable children and adults with disabilities. This evil must be stopped and the two top people protecting this scandalous sex cover-up scheme must be held fully accountable for their involvement.

Governor Cuomo needed Cardinal Dolan on his side from the very beginning so the governor set an entire week aside to honor Cardinal Dolan, to get his favor. Again, it is critical to understand that Cardinal Dolan was already involved in trying to protect and shield massive amount of money from being paid out to sexual assault victims that were preyed on by Catholic priests. Instead of moving to help ensure basic safety and abuse prevention and protection measures were finally put in place, including immediate 911 reporting for 1,000,000 New Yorkers with disabilities, Cardinal Dolan chose to be complicit and silent allowing the rapes and sexual assaults to continue unchecked.

The Jonathan Carey Foundation's extensive investigative work has uncovered wide-scale systemic sexual abuse of the disabled in State and private residential care facilities and group homes and the wide-scale cover-ups. Almost all reported sexual assaults and rapes of people with disabilities are directly reported internally to Governor Cuomo's abuse hotline, not to 911, and they are covered-up. Both Governor Cuomo and Cardinal Timothy Dolan have full knowledge of these criminal activities and have tried to protect the institutions they lead, for years now, from public shame and massive payouts to these vulnerable sexual assault victims.

"New York State documents obtained through Freedom of Information Law (FOIL) by Michael Carey, dating back to 2005, reveal that the New York State OPWDD system has a culture of sexual abuse, rape and cover-ups. Thousands of reported sex crimes committed against the disabled are never reported to local police or District Attorney's and are disappearing within the system that former Attorney General Cuomo and now Governor Cuomo has protected with a vengeance <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . State data, as well as this well known study found on the State of Massachusetts website titled, Prevalence of Violence, <http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html> point to possibly one third of developmentally disabled residents within Governor Cuomo's OPWDD system being sexually assaulted annually. In the OPWDD system of 126,000 developmentally disabled children and adults, many of whom cannot speak to tell anyone anything, there are upwards of 43,000 victims of sexual assaults or rape every year. Try to wrap your mind around the staggering scope of what I am bringing to your attention." - Michael Carey

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
