ARLINGTON, TEXAS, US, December 12, 2017 /EINPresswire.com/ -- Weby Corp (Webbyshops) has made the prestigious SMU Cox Dallas 100 Entrepreneurial Awards for the third time in four years. Weby Corp was previously named to the 2014 and 2015 SMU Cox Dallas 100 top entrepreneurial lists. Once again, Weby Corp has demonstrated continued growth as an online retailer by making the 2017 list. This year Weby Corp is #98 on the SMU Cox Dallas 100. Previously they were positioned at #96 in 2015 and #65 in 2014.

The SMU Cox Dallas 100 Entrepreneurial Awards is a popular measurement for the fastest-growing privately owned companies in the Dallas Metroplex. This is the 27th year that SMU Cox has held their local competition. Companies that qualify for the Dallas 100 must be privately held and headquartered in the Dallas Metroplex area. They must demonstrate a continued growth pattern over the past three years and show sales between \$500,000 and \$75 Million in 2015. SMU Cox also reviews company credit reports and can disqualify companies at their sole discretion.

CEO Mikhail Orlov, who is a SMU alum himself, commented on his company's resurgence on the list: "And...we are back. The retail world continues to challenge us, year after year, but our team continues to innovate and satisfy the needs of both brands and customers. You have to be nimble in the face of the giants, like Amazon, and you have to look for partnerships with brands. The retail world of tomorrow is yet to be defined. We are hoping to write a few chapters in that book, and if it gets us on a list here and there - that's just a cherry on top."
