

2018 Oil Price Forecast - The impact next year's oil price will have on well services

Offshore Network have produced a forecast of the Brent and WTI Oil Price throughout 2018 and a review of how this will impact well service contractors.

ABERDEEN, ABERDEENSHIRE, SCOTLAND, December 7, 2017 /EINPresswire.com/ -- To help oil and gas contractors and operators prepare for next year's market dynamics, Offshore Network have released their 2018 Market Forecast.

This report covers:

- A forecast of the Brent and WTI oil price throughout 2018
- An overview of the workover services operators can leverage during higher oil prices
- An examination of the P&A demand for wells that remain uneconomical in 2018
