*Cigarettes in Algeria Market 2017 – By Analyzing the Performance of Various Competitors*

PUNE, INDIA, December 7, 2017 /EINPresswire.com/ -- Pune, India, 7th December 2017: WiseGuyReports announced addition of new report, titled "[Cigarettes in Algeria, 2017](#)".

## Summary

"Cigarettes in Algeria, 2017", is an analytical report that provides extensive and highly detailed current and future market trends in the Algerian market. The report offers Market size and structure of the overall and per capita consumption based upon a unique combination of industry research, fieldwork, market sizing analysis, and our in-house expertise.

Algeria, a country of over 40 million people, is a substantial market for cigarettes. Contraband is a growing problem for the authorities, boosted since 2010 by tax-induced price rises. The majority of cigarettes are soft packed, although SNTA has recently begun to offer some of its popular brands in hard packs, a move designed to counter competition from international brands as well as local rival, STAEM. The demand for blond filter cigarettes has been growing at the expense of traditional dark cigarettes, but has been constrained by supply problems.
