

Vicki Chase and Pierre Bernard Jr. from Conan O'Brien Show Team Up for Naughty Santa!

Holiday Themed Costume Life Drawing Event in LA Saturday, December 9 – 6:30pm – 9:30pm

LOS ANGELES, CA, USA, December 7, 2017 /EINPresswire.com/ -- Tis the season to get naughty, as the dynamic pair of Mexican porn star [Vicki Chase](#) and long-time graphic artist and “Recliner of Rage” character on the Conan show, [Pierre Bernard Jr.](#) team up for LA holiday theme costume life drawing event, Naughty Santa, on Saturday, December 9 from 6:30pm to 9:30pm.

“Get into the holiday spirit by drawing me in sexy Santa costumes! It’s a great opportunity for my fans to enjoy me in person in a completely unique way and I’m so excited for it,” says Vicki. “Pierre Bernard is an amazing artist and I love him on Conan, I think he’s hilarious. We both love cosplay and costumes and I can’t wait to see the different drawing renditions of me, I hope to inspire the artist inside.”

Pierre Bernard Jr. hosts Cosplay Life Drawing every month offering different models for each event, and looks forward to collaborating with the all-natural, ultra-fit, striking beauty, acting as his muse.

“Every time I work with a new model it’s like a first date. Each line is a flirtatious gesture and the final drawing is the expression of how the date went. Life drawing is more than just creating art, it is also problem solving. How do I express on paper what I see in front of me,” says Pierre, “Life drawing is more than just an activity, it’s a lifestyle, and personally, drawing from life always puts me in a happy zone, it feels like for that moment in time all my problems dissolve away and I am left with a blank page to create beauty and fun!
