

# Gov. Cuomo & Cardinal Dolan protect sexual predators like powerful people protected Harvey Weinstein

*Sexual assaults, rape and criminal cover-ups dominate national news as the Jonathan Carey Foundation brings to light two NY leaders protecting sexual predators*

ALBANY, NEW YORK, UNITED STATES, December 9, 2017 /EINPresswire.com/ -- [Governor Andrew Cuomo](#) and [Cardinal Timothy Dolan](#) have worked closely to protect their institutions and massive amounts of money instead of the 1,000,000 New Yorkers with disabilities in known unsafe facilities and group homes. The sex scandal of epic proportion that must come to light and end now involves New York State and the Catholic Church's collaborative efforts to shuffle or jockey sexual predator and pedophile caregivers from group home to group home.

Keeping most sexual assault and rape crimes from 911, local police, criminal investigations, District Attorneys and courts is how Gov. Cuomo and Cardinal Dolan are protecting thousands of sexual predators & pedophiles

“

How does Harvey Weinstein's actions compare to Gov. Cuomo & Cardinal Dolan's actions in protecting countless sexual predators and pedophiles that rape women and children with disabilities?”

*Michael Carey - Advocate for people with disabilities and their families*

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, [pedophiles](#) and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo's direct involvement.

The Jonathan Carey Foundation must continue to shout the truth from rooftops of what is going on in the dark behind closed doors so that changes will swiftly come. Governor Cuomo and Cardinal Dolan have ignored Michael Carey's initiatives and basic critical reforms to prevent and stop most

sex crimes against the disabled for a number of years. As one of New York State's leading advocates for the safety and equal rights for people with disabilities, Michael Carey has done everything possible

to only run into a brick wall with both Governor Cuomo and Cardinal Dolan, they refuse to protect the vulnerable from sexual predators. Cardinal Dolan has looked the other way to protect Governor Cuomo and countless sexual predators, pedophiles and rapists, instead of the rape victims and our most vulnerable. The Pope has been asked to remove Cardinal Dolan, he has protected and enabled sexual predators for years.

“There is a blatant disregard for the safety, health and lives of our most vulnerable by both Governor Cuomo and Cardinal Dolan that quite frankly is scary. Thousands of women, girls and boys with disabilities living in residential facilities and group homes are being preyed on and raped on a regular basis by known sexual predators and pedophiles. Both Governor Cuomo and Cardinal Dolan’s actions and inactions are far more egregious and criminal compared to what is being reported on regarding Harvey Weinstein.” – Michael Carey

Weinstein’s Complicity Machine

It is time to look at Governor Andrew Cuomo and Cardinal Timothy Dolan’s Complicity Machine. Although, different in certain ways, it all surrounds protection of self, institutions and massive amounts of money. Here are some of the financial damages regarding the Catholic Church pedophile sex scandal, not counting the shame and permanent stain and disgrace upon the Church.

The sad fact is what the Catholic Church was caught doing, protecting and shielding sexual predator and pedophile priests is the exact same as what is going on in Governor Cuomo’s mental health agencies. The same wicked pattern of protecting pedophile priests was exposed by the Boston Globe’s, Spotlight investigative reporting team in 2002 and their hard work won them a Pulitzer Prize.

Watch this less than 3 minute "Spotlight" movie trailer then please watch the full movie as soon as you can to fully grasp and understand how horrific sex crimes committed against vulnerable people with disabilities also get buried and covered-up. Try to wrap your mind around how many people have to be involved to protect these two powerful institutions, the Catholic Church and New York State, that are more damn concerned about money and protecting themselves.

Here is the first Boston Globe Spotlight investigative team exposé that started it all.

Church allowed abuse by priest for years

Aware of Geoghan record, archdiocese still shuttled him from parish to parish

<https://www.bostonglobe.com/news/special-reports/2002/01/06/church-allowed-abuse-priest-for-years/cSHfGkTlrAT25qKGvBuDNM/story.html>

This bombshell exposé started the avalanche of revelation that Catholic Church leaders were knowingly allowing pedophile priests to sexually victimize and rape hundreds of more innocent children. The Jonathan Carey Foundation is publicly stating that Cardinal Timothy Dolan knows that sexual predator and pedophile caregivers run wild throughout the New York State mental health care system and he has done nothing to stop any of it. Here is from the very beginning of this incredible news piece that had to come out;

"Since the mid-1990s, more than 130 people have come forward with horrific childhood tales about how former priest John J. Geoghan allegedly fondled or raped them during a three-decade spree through a half-dozen Greater Boston parishes.

Almost always, his victims were grammar school boys. One was just 4 years old.

Then came last July's disclosure that Cardinal Bernard F. Law knew about Geoghan's problems in 1984, Law's first year in Boston, yet approved his transfer to St. Julia's parish in Weston."

Just a little later in this same exposé which you must read for yourselves because the truth come out. What was written shines a light on the much bigger problem, which is the worst of the worst offenders, those that protect and shield sexual predators and pedophiles, which allows them to continue to do what they do, which is to commit crimes, rape and destroy lives.

"Now, as Geoghan faces the first of two criminal trials next week, details about his sexual compulsion are likely to be overshadowed by a question that many Catholics find even more troubling: Why did it take a succession of three cardinals and many bishops 34 years to place children out of Geoghan's reach?"

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
