And also one can find cheap stocklot, [wholesale products](#), and new trend items on the platform.

“Tradeguide24.com helps sellers offer their customers unique, personal, and incredibly well-designed products that have a meaningful backstory,” said Tradeguide24.com Founder and CEO. “For the first time, sellers can carry thousands of independent artists backed by a state-of-the-art supply chain that ensures exceptional high quality, consistency, and the ability to reliably scale to meet any level of demand.”

Are all of these wholesale and [stock lot](#) companies really selling wholesale products to their buyers? The short answer is absolutely yes! But let's go over the longer answer so one can get an idea of what types of operations the majority of these so-called wholesale and Stocklot companies operate.

If I was forced to make my best guess of the percentage of true wholesale and stocklots companies on tradeguide24.com trade platform, I'd say 99.9% of these wholesale and stocklots companies is an actual legitimate wholesale company. Obviously that means 0.01% are not true wholesale and stocklot companies this percentage estimation made is based on buyer testimonies.
