

# iCareFix Announces Partnership with 7-Eleven Convenient Stores in the U.A.E.

DUBAI, UNITED ARAB EMIRATES, December 10, 2017 /EINPresswire.com/ -- [iCareFix Global](#), an IT & electronics gadgets repair company, is pleased to announce that it will be teaming up with 7-Eleven stores in the U.A.E. in order to provide greater convenience for its customers. Describing itself as a “one stop shop” for a wide range of repair solutions, the company’s certified technicians have the expertise to repair mobile phones, Smartphones, tablets, video games, computers, laptops, cameras, printers and more.

The company has a growing reputation for fast, convenient service and reasonable prices, as testimonials from many happy customers show:

“

7-Eleven is planning to open 850 stores within the U.A.E. in the near future.”

“I had some issues with phone, tried 2 shops which gave me an expensive cost but luckily headed to iCareFix where it got fixed up with affordable price and a fast service.”

“I’ve been using iCareFix service probably for 4 years now and found it an ideal place as they are able to quickly resolve any issues.”

“Truly a lifesaver! I couldn’t be happier that there can be a service as such!”

The company makes the entire repair process as convenient as possible for its customers. Free pick-up and delivery service is provided to all the Emirates in the U.A.E., or customers can choose to drop off their device at any iCareFix Service Center. A toll free phone number is available, along with live chat agents on the website, and customers can also track the progress of their order online.

And now customers will be able to drop off their device at any 7-Eleven store in the U.A.E.

“7-Eleven is planning to open 850 stores within the U.A.E. in the near future,” says company CEO Jazeer Jamal. “This will make things so much easier for our customers, since not everyone is able to take advantage of our pick-up and delivery service. We’re delighted to be able to offer our customers such a convenience!”
