

EDA Market in the Automotive Industry 2017 Global Analysis, Size, Share, Trends, Growth and Forecast to 2021

Wiseguyreports.Com Publish New Market Report On -“EDA Market in the Automotive Industry 2017 Global Analysis, Size, Share, Trends, Growth and Forecast to 2021”

PUNE, INDIA, December 11, 2017 /EINPresswire.com/ --

[EDA Market in the Automotive Industry 2017](#)

EDA comprises software tools that are used to design electronic systems such as PCBs and ICs. It enables electrical engineers (hardware engineers) and computer engineers (software engineers) to design, analyze, and simulate semiconductor chips. It also encompasses algorithms and methodologies for the design of VLSI circuits. CAE, IC physical design and verification, PCB and MCM, SIP, and Services together contribute to the growth of the Global EDA market. Various EDA tools available in the market are used to design and develop complicated and large-scale circuits. EDA tools help semiconductor and electronic products manufacturing companies reduce product development time and increase the accuracy of design. It is widely used to manufacture many electronics components in the automotive industry.

The analysts forecast the global EDA market in the automotive industry to grow at a CAGR of 11.14% over the period 2015-2019.

Covered in this report

The report covers the current scenario and the growth prospects of the global EDA market in the automotive industry for the period of 2015-2019. To calculate the market size and the vendor share, the report considers both the direct revenue and the indirect revenue of the vendors.

It presents the vendor landscape and a corresponding detailed analysis of the top vendors in the market. In addition, the report discusses the major growth drivers that influence the growth of the market. It also outlines the challenges faced by vendors and the market at large, as well as the key trends that will contribute to the growth of the market.

Request a Sample Report @ <https://www.wiseguyreports.com/sample-request/274452-global-eda-market-in-the-automotive-industry-2015-2019>

The report, Global EDA Market in the Automotive Industry 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts.

Key regions

Americas

APAC

EMEA

Key vendors

Cadence Design Systems

Mentor Graphics

Synopsys

Other prominent vendors

Agilent

Agnisys

Aldec

Ansys

JEDA Technologies

MunEDA

Zuken

Market driver

Growing complexity in automotive industry

For a full, detailed list, view our report

Market challenge

Need for regular upgrades

For a full, detailed list, view our report

Market trend

Increase in mergers and acquisitions

For a full, detailed list, view our report

Key questions answered in this report

What will the market size be in 2019 and what will the growth rate be

What are the key market trends

What is driving this market

What are the challenges to market growth

Who are the key vendors in this market space

What are the market opportunities and threats faced by the key vendors

What are the strengths and weaknesses of the key vendors

Any Query, Submit Here @ <https://www.wiseguyreports.com/enquiry/274452-global-eda-market-in-the-automotive-industry-2015-2019>

Table of Contents –Analysis of Key Points

PART 01: Executive summary

- Highlights

PART 02: Scope of the report

- Market overview
- Top-vendor offerings

PART 03: Market research methodology

- Research methodology

- Economic indicators

PART 04: Introduction

- Key market highlights
- PLM overview
- Role of PLM in product development process
- EDA

PART 05: Market landscape

- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by product

- CAE
- SIP
- IC physical design
- Others

PART 07: Geographical segmentation

- Americas
- APAC
- EMEA

PART 08: Market drivers

PART 09: Impact of drivers

PART 10: Market challenges

PART 11: Impact of drivers and challenges

PART 12: Market trends

PART 13: Vendor landscape

- Cadence Design Systems
- Synopsis
- Mentor Graphics
- Other prominent vendors

PART 14: Key vendor analysis

- Cadence Design Systems
- Mentor Graphics
- Synopsys

.....Continued
