

Gov. Cuomo & Cardinal Dolan are Protecting Sexual Predators and the Motive is Money

The Jonathan Carey Foundation is exposing the massive scope of sexual assaults, the main players that are protecting the sexual predators and the motive - money

ALBANY, NEW YORK, UNITED STATES, December 11, 2017 /EINPresswire.com/ -- New York State documents obtained by Michael Carey, the founder of the Jonathan Carey Foundation, through Freedom of Information Law (FOIL) reveal over 6,000 reported sexual assaults or rapes of people with developmental disabilities in less than 5 years. These are the State of New York's numbers for the Office of People with Developmental Disabilities (OPWDD). For you to understand the sheer magnitude of the rampant sexual abuse, rapes and cover-ups occurring you must first understand that these are the State's horrific numbers for just one of their six mental health agencies run by [Governor Andrew Cuomo](#). You must also understand that almost all of these sexual assault crimes disappear internally, they are covered-up.

Keeping most sexual assault and rape crimes from 911, local police, criminal investigations, District Attorneys and courts is how Gov. Cuomo and Cardinal Dolan are protecting thousands of sexual predators, pedophiles, and rapists of the disabled.

“

Gov. Cuomo and Cardinal Dolan ignored the safety & equal rights of women and children with disabilities after the NY Times “Abused & Used” investigative reporting series to protect sexual predators.”

Michael Carey - Advocate for people with disabilities and their families

Please take a moment to let these astronomical numbers sink in. Then think about the reality that almost all sex crimes and rapes will never be witnessed or reported regarding people with developmental disabilities because they are the perfect victims for the sexual predators and [pedophiles](#) that prey on the vulnerable. These are innocent little boys and girls and women that are being sexually assaulted, raped, and sodomized, that are sexual assault victims that in most cases cannot speak or defend themselves.

The State of Massachusetts has placed on their official website a well recognized study and report called “Prevalence of Violence” that documents that only 3% of sexual assaults of people with developmental disabilities will ever be reported.

<http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html>

To get close to the real numbers of sexual assaults and rapes occurring in facilities and group homes,

again in only one of New York State's mental health agencies, OPWDD, you multiply the reported cases averaging 1,300 a year by 33 to get approximately 43,000 sex assaults or rapes annually, within a system of 126,000 people with developmental disabilities. Both Governor Cuomo and Cardinal Dolan know what is going on, yet they have done nothing significant to prevent or stop these sex crimes and sexual predators.

The numbers are mind boggling they are so big and you must be saying how can this be happening? There are many answers and they are all extremely disturbing. First, there are hardly any safety and abuse prevention measures in place to ensure safe care and services for the disabled in New York State. Second, the system is set up to internally report and police itself which everyone knows does not work. Almost all sex crimes are purposefully kept from 911 so local police and paramedics cannot respond. Third, people in top positions of authority do not care about what does or does not happen, what is important to them is the protection of large amounts of money and the protection of the institution from public shame.

Following the New York Times "Abused and Used" award winning investigative reporting series which Michael Carey convinced the Times to do, Governor Cuomo, for the last 7 years, has refused to take the significant actions vital to reform his system <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html>. Governor Cuomo has been able to successfully ensure the cover-ups of tens of thousands of sexual assaults and rapes of people with developmental disabilities. [Cardinal Timothy Dolan](#) has known of this for years and has done nothing. Michael Carey, over and over again reached out to Cardinal Dolan on behalf of the disabled for emergency help to only be shunned and ignored. The travesty is the fact that if only Cardinal Dolan took swift actions publicly, countless sexual predators and pedophiles within New York State's mental health care system could have been caught and removed from severely harming other victims. Instead, Cardinal Dolan along with Governor Cuomo allowed countless sexual predators to thrive and rape God only knows how many more vulnerable women and children whenever they wanted.

Governor Andrew Cuomo and Cardinal Timothy Dolan have worked closely together to benefit one another, yet they have been protecting a scandalous sex cover-up and Medicaid Ponzi Scheme for years. It really is all about the money. I laid it out in yesterday's national press release and I will put it out again in print below.

Here are main money motives to this wide-scale systemic criminal enterprise and corruption scheme run by Governor Andrew Cuomo and protected by Cardinal Timothy Dolan. Always remember –follow the money;

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo's direct involvement. <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2>

Here is just a glimpse into Governor Andrew Cuomo and Cardinal Timothy Dolan's cozy relationship and Cardinal Dolan's past history regarding trying to protect Catholic Church money instead of sex assault victims.

Cardinal Dolan knows about the protection scheme to protect countless sexual predators, just like Cardinal Law knew. The Boston Globe's Spotlight investigative reporting team connected the dots right to top Catholic officials, including Cardinal Bernard Law in the massive pedophile cover-up and protection scheme in 2002.

Cardinal Timothy Dolan has chosen to continue to be silent and complicit which is believed to be an attempt to protect and shield Governor Cuomo and massive amounts of money. Both Governor

Cuomo and Cardinal Dolan have grossly failed in their responsibilities to ensure the protection of countless lives and they must be removed from being able to continue to protect predators that prey on the vulnerable.

Just like the Pope ensured Cardinal Law was removed, Pope Francis must swiftly remove Cardinal Dolan for his involvement in protecting sexual predators and money over the protection of the vulnerable and defenseless.

It is hard to fathom and understand why Cardinal Timothy Dolan would ignore the very teachings of the Lord Jesus Christ and instead look the other way to protect Governor Cuomo and countless sexual predators, pedophiles and rapists. What about the rape victims who are some of our absolute most vulnerable? How can any spiritual leader look the other way?

Please read this extremely powerful New York Times exposé titled “Weinstein’s Complicity Machine” that came out a few days ago.

It is time to look at Governor Andrew Cuomo and Cardinal Timothy Dolan’s Complicity Machine. Although, different in certain ways, it all surrounds protection of self, institutions and massive amounts of money. Here are some of the financial damages regarding the Catholic Church pedophile sex scandal, not counting the shame and permanent stain and disgrace upon the Church.

The sad fact is what the Catholic Church was caught doing, protecting and shielding sexual predator and pedophile priests is the exact same as what is going on in Governor Cuomo’s mental health agencies. The same wicked pattern of protecting pedophile priests was exposed by the Boston Globe’s, Spotlight investigative reporting team in 2002 and their hard work won them a Pulitzer Prize.

Watch this less than 3 minute “Spotlight” movie trailer than please watch the full movie as soon as you can to fully grasp and understand how horrific sex crimes committed against vulnerable people with disabilities also get buried and covered-up. Try to wrap your mind around how many people have to be involved to protect these two powerful institutions, the Catholic Church and New York State that are more damn concerned about money and protecting themselves.

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
