

Gov. Cuomo & Cardinal Dolan Refuse to Protect Disabled Women & Children from Sexual Predators

Gov. Cuomo & Cardinal Dolan are involved in a massive sex scandal and sexual predator protection scheme allowing thousands of women and children to be raped

ALBANY, NEW YORK, UNITED STATES, December 12, 2017 /EINPresswire.com/

-- It does not get uglier than this, New York State's mental health care system under [Governor Andrew Cuomo](#) remains a paradise for sexual predators, [pedophiles](#) and rapists. The Jonathan Carey Foundation and its founder, Michael Carey, have been shouting that this evil must be stopped from the roof tops, yet Governor Cuomo and Cardinal Dolan look the other way. Two powerful people have chosen to try to protect two powerful institutions from great shame and a huge loss of money. Instead of protecting the women and children with disabilities being used for sex the governor and the Cardinal have chosen to protect the countless sexual predators, pedophiles and rapists scattered throughout thousands of state and privately operated facilities and group homes.

Keeping most sexual assault and rape crimes from 911, local police, criminal investigations, District Attorneys and courts is how Gov. Cuomo and Cardinal Dolan are protecting thousands of sexual predators, pedophiles, and rapists of the disabled.

“

Rampant sexual abuse and rape permeates the New York State mental health care system as Gov. Cuomo and Cardinal Dolan refuse to take significant actions to stop the sexual predators or protect victims”

Michael Carey - Advocate for people with disabilities and their families

With everything surfacing on the national forefront and stage surrounding sexual harassment, sexual abuse, rape and people that enable or cover-up for these sexual predators everyone must understand that people with disabilities are the most vulnerable victims to sex crimes. People also must understand that the most dangerous people are the ones that protect and enable sexual predators allowing them to harm in many cases hundreds of other innocent victims.

Many people remember the well known Catholic pedophile priest named John Geoghan who was shuffled from parish to parish by Church leaders which allowed him to victimize two hundred or more children.

The exact same thing is happening throughout New York State's mental health care system and the sexual predators are vast in numbers. Governor Andrew Cuomo and Cardinal Dolan together continue to allow countless sexual predators, pedophiles and rapists to run wild throughout New York State's mental health care system. Governor Cuomo and Cardinal Dolan are believed to be some of the most dangerous enablers for sexual predators because by protecting and shielding these sexual predators anyone's children even in the general public are in danger.

New York State documents obtained by Michael Carey, the founder of the Jonathan Carey Foundation, through Freedom of Information Law (FOIL) reveal over 6,000 reported sexual assaults or rapes of people with developmental disabilities in less than 5 years. These are the State of New York's numbers for the Office of People with Developmental Disabilities (OPWDD). For you to understand the sheer magnitude of the rampant sexual abuse, rapes and cover-ups occurring you must first understand that these are the State's horrific numbers for just one of their six mental health agencies run by Governor Andrew Cuomo. You must also understand that almost all of these sexual assault crimes disappear internally, they are covered-up, because they are not getting to local police, but instead directed to Governor Cuomo's abuse hotline.

Please take a moment to let these astronomical numbers sink in. Then think about the reality that almost all sex crimes and rapes will never be witnessed or reported regarding people with developmental disabilities because they are the perfect victims for the sexual predators and pedophiles that prey on the vulnerable. These are innocent little boys and girls and women that are being sexually assaulted, raped, and sodomized, that are sexual assault victims that in most cases cannot speak or defend themselves. Cameras would be one of the best tools to prevent these sex crimes and to catch these sexual predators, but Governor Cuomo, who said he wanted cameras, chose to listen to the unions that said they did not want them.

The State of Massachusetts has placed on their official website a well recognized study and report called "Prevalence of Violence" that documents that only 3% of sexual assaults of people with developmental disabilities will ever be reported.

<http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html>

To get close to the real numbers of sexual assaults and rapes occurring in facilities and group homes, again in only one of New York State's mental health agencies, OPWDD, you multiply the reported cases averaging 1,300 a year by 33 to get approximately 43,000 sex assaults or rapes annually, within a system of 126,000 people with developmental disabilities. Both Governor Cuomo and Cardinal Dolan know what is going on, yet they have done nothing significant to prevent or stop these sex crimes and sexual predators.

The numbers are mind boggling they are so big and you must be saying how can this be happening? There are many answers and they are all extremely disturbing. First, there are hardly any safety and

abuse prevention measures in place to ensure safe care and services for the disabled in New York State. Second, the system is set up to internally report and police itself which everyone knows does not work. Almost all sex crimes are purposefully kept from 911 so local police and paramedics cannot respond. Third, people in top positions of authority do not care about what does or does not happen, what is important to them is the protection of large amounts of money and the protection of the institution from public shame.

Following the New York Times “Abused and Used” award winning investigative reporting series which Michael Carey convinced the Times to do, Governor Cuomo, for the last 7 years, has refused to take the significant actions vital to reform his system <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html>. Governor Cuomo has been able to successfully ensure the cover-ups of tens of thousands of sexual assaults and rapes of people with developmental disabilities. [Cardinal Timothy Dolan](#) has known of this for years and has done nothing. Michael Carey, over and over again reached out to Cardinal Dolan on behalf of the disabled for emergency help to only be shunned and ignored. The travesty is the fact that if only Cardinal Dolan took swift actions publicly, countless sexual predators and pedophiles within New York State’s mental health care system could have been caught and removed from severely harming other victims. Instead, Cardinal Dolan along with Governor Cuomo allowed countless sexual predators to thrive and rape God only knows how many more vulnerable women and children whenever they wanted.

Governor Andrew Cuomo and Cardinal Timothy Dolan have worked closely together to benefit one another, yet they have been protecting a scandalous sex cover-up and Medicaid Ponzi Scheme for years. It really is all about the money. I laid it out in yesterday’s national press release and I will put it out again in print below.

Here are main money motives to this wide-scale systemic criminal enterprise and corruption scheme run by Governor Andrew Cuomo and protected by Cardinal Timothy Dolan. Always remember –follow the money;

- Medicaid fraud in the billions - <http://oversight.house.gov/wp-content/uploads/2013/02/Medicaid-Committee-Report-ANS-2.pdf>
- Protection from extremely large numbers of multi-million dollar wrongful death payouts - <http://www.nytimes.com/2011/09/22/nyregion/ny-state-settles-jonathan-carey-wrongful-death-lawsuits.html>
- Protection from thousands of multi-million dollar payouts to sex victims- <https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo’s direct involvement.

Watch this less than 3 minute "Spotlight" movie trailer than please watch the full movie as soon as you can to fully grasp and understand how horrific sex crimes committed against vulnerable people with disabilities also get buried and covered-up. Try to wrap your mind around how many people have to be involved to protect these two powerful institutions, the Catholic Church and New York State that are more damn concerned about money and protecting themselves.

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because

they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
