

SquidNET returns as Diamond Sponsor of IoT Forum Africa 2018

SquidNET is returning to IoT Forum Africa 2018 as Diamond Sponsor. The partnership signifies SquidNET's dedication to facilitating the growth of IoT in Africa.

JOHANNESBURG, GAUTENG, SOUTH AFRICA, December 12, 2017 /EINPresswire.com/ -- [SquidNET](#) is returning to [IoT Forum Africa](#) 2018 as Diamond Sponsor. The long term partnership signifies SquidNET's dedication to facilitating the growth of IoT in Africa. The theme for next year's conference and exhibition is powering a new era of operational transformation.

On the 14th and 15th of March 2018, IoT Forum Africa 2018 will convene thought leaders, visionaries and experts in Johannesburg, to share their knowledge of real-world IoT trends, challenges and solutions.

About SquidNET:

SquidNET launched in November 2016 as a licensed SIGFOX operator in South Africa. The SquidNET network offers low-cost access to Internet of Things solutions and operators in South Africa, creating opportunities for businesses small and large - to create innovative solutions.

The SquidNET network will give nationwide coverage for the Internet of Things allowing millions of sensors and devices to send small packets of data for analysis, immediate action and record keeping. The network will cover 85% of South Africa's population by December 2017.

Confirmed Speakers for IoT Forum Africa 2018 include:

Reshaad Sha, CEO, SquidNET
Aki Anastasiou, Host of Technobyte on Radio 702 (conference host)
Yolisa Kani, Public Policy Head SA: Uber
Abdul Baba, Group IT Director at TBWA Africa
Xolani Hadebe, IT Director and CIO at University of Pretoria
