

# ICareFix Announces New Branch Opening in Kuwait

HAWALLY, KUWAIT, December 13, 2017 /EINPresswire.com/ -- ICareFix, the IT device and gadget repair service located in the UAE, is pleased to announce its recent expansion into Kuwait, with a branch now operating on Ibn Khaldoun Street in Hawally. The company has been growing rapidly since its inception in 2013, and plans to open more branches in the GCC countries in the near future.

We provide free pick-up and delivery, and we have recently teamed up with 7-Eleven so that people can drop their device off at any 7-Eleven convenience store in the UAE.”

*Jazeer Jamal, CEO*

The company offers speedy repairs by professional, certified technicians for a wide range of electronic devices, such as mobile phones, Smartphones, tablets, video games, computers, laptops, cameras, printers, routers and more. But when it comes to customer service, the company goes above and beyond, which according to CEO Jazeer Jamal is the reason for the company’s success:

“We make it so easy for our customers,” explains Jamal. “We provide free pick-up and delivery. Customers can drop off their devices at any of our service centers, and we have recently

teamed up with 7-Eleven so that people can drop their device off at any 7-Eleven convenience store in the UAE.”

The iCareFix website also offers customers the opportunity to receive a call from an expert if they have questions or need advice. And they can track the progress of their repair order by simply signing in to the website with their ticket number.

## About the Company:

ICareFix is a multi-specialized IT device and gadget repair service centre founded in 2013 and located in Dubai. The company has plans for expansion into other locations in the UAE, as well as Saudi Arabia, Qatar, Bahrain and Oman.

With its vision to become the largest chain of IT device and gadget repair service centers in the GCC, iCareFix would appear to be well on its way.
