About [elevators and escalators](#)

Elevators and escalators help move people and goods easily and efficiently within a building's premises. They are installed in commercial buildings, residential buildings, mixed-used buildings, IT parks, hotels, restaurants, and retail outlets. They are also installed in parking areas to help in optimum utilization of space.

Technavio's analysts forecast the elevators and escalators market in Spain to grow at a CAGR of 3.2% in terms of revenue and 3.83% in terms of newly installed units over the period 2014-2019.
