

vServices exhibits 800Comms and Certax London in Sales Innovation Expo 2018

LONDON, UNITED KINGDOM, December 15, 2017 /EINPresswire.com/ -- vServices is a Professional IT Company showcasing its Enterprise Solutions, Unified Communications products and the Accounting Services for wider UK audience in SIE Expo 2018, which will also be running along B2B & B2C Marketing Expo, MTEX, and Call & Contact Centre Expo.

[vServices Ltd](#) has announced to participate in Sales Innovation Expo 2018 at ExCel London. It will be held at ExCeL on 21st & 22nd March 2018. This is a 2-day event and will include 95 free seminars to pick from, 200 of Europe's leading suppliers, 35 masterclasses, 1-2-1 networking opportunities. Plus, some of the world's top sales speakers like David Beard (Sage), Seema Menon (Sony Pictures), Daniel Disney (The Daily Sales), Gavin Ingham and many more motivational speakers.

Sales Innovation Expo will be running alongside The Marketing Expo, Marketing Technology, B2B and B2C Expo and Call & Contact Centre Expo and your Free ticket will give you full access to these massive shows!

Sponsored by FiveCRM, Lead Forensics, Leaderfeeder, RingCentral, and 8x8, Sales Innovation Expo is a unique platform where hundreds of forward-thinking minds gather to present sales techniques and strategies that are inspired by innovation, technology and cutting-edge digital tools that guarantee high revenues and amazing business growth.

Hundreds of leading companies in the UK are expected to take part in the Global show, and vServices is participating to promote its Professional IT, Enterprise Resource Planning/CRMs for better Sales, Communication Services as business generating Tool, in collaboration with 800Comms which is powered by Broadsoft, and the Certax Accounting London.

The company is all set to explore the prospective clients and visitors that how they can improve their overall business performance with the company's Digital Marketing & Sales tools, Social Media apps and Mobile App Development. vServices is a robust, high-tech and experienced ERP and E-commerce solution providers. Its wide range of services includes Marketing Automation Tools, Lead generation, Microsoft solutions, Domain registration, Network security and Website and Email hosting along with creative and artistic Brand and Logo designing. The company will also be promoting its affiliate businesses 800comms and Certax Fitzrovia. vServices Ltd Founding Director Nasreen Abdul explains;

"We are proud of how we have nurtured 800Comms into one of the most reliable unified communication providers in the UK. 800Comms is reselling BroadSoft's wide range of cloud communications and collaboration solutions for business and individuals like Cloud PBX, hosted VoIP solutions, Team Collaboration, Contact Centre and Hospitality Sector Communications Solutions. These services are available through desktop and mobile applications and let you take your office anywhere. Collaboration tools enable you to easily Message, Video Chat, Share files, Manage tasks, and work together all in one place. Our ideal customer is a SMBs, Call Centers and Hospitality sectors who are looking for a scalability, flexibility, reliability and the communication affordability. 800Comms is a reseller of One-Cloud Networks InfusiOne Solutions and deploy Broadsoft's BroadCloud and BroadWorks. Our SD-WAN and MDM Firewall Solutions deploy CloudGenix and

Cisco Meraki.

Certax London is a highly productive accountancy service provider and a team of experienced chartered accountants in London. The Director of Certax Fitzrovia Ltd is also excited for being part of this event and the opportunity for networking with Sales and Marketing Audience. She says, "We understand the importance of the reliable accounting for the business growth, as only proper accounting and cost-benefit analysis is a true measure of the Sales reconfirmation".

vServices will showcase its products and portfolio at Stand 1724, where experienced Sales and Marketing representatives will meet and greet with the audience, demonstrate various ERP and CRM Solutions, 800Comms Powered by Broadsoft, Unified Communication, Collaboration and Messaging Products, UC&C products for Call and Contact Centre, Broadsoft Hospitality Management Tools. Expert Accounting team will provide Free Consultation and Tax Advice.

vServices Ltd Group Founder believes that the event will be a substantial opportunity to seek existing and prospective clients and present group's unmatched product and service offerings in front of hundreds of people. The vServices is growing globally, the UK remains its most cherished market, and the Expo will reinforce their presence there.

The Director of vServices, Nasreen has invited all vServices, 800Comms and Certax Clients, Audience to visit their Expo Page <http://www.salesinnovationexpo.co.uk/tracker.asp?code=vservices-limited/> and Subscribe to Free Tickets.
