

Pope Francis asked to Swiftly Intervene in Cuomo-Dolan Sex Cover-up Scandal

Pope Francis must swiftly intervene and speak out to end the international discrimination of the disabled and to stop the criminal cover-ups of sex crimes

ALBANY, NEW YORK, UNITED STATES, December 17, 2017 /EINPresswire.com/ -- [Pope Francis](#) has been asked by Michael Carey of the Jonathan Carey Foundation to remove [Cardinal Timothy Dolan](#) for his involvement with [Governor Andrew Cuomo](#) in ensuring the protection of countless sexual predator, pedophile and rapist caregivers throughout New York State. Numerous letters sent via email to Cardinal Dolan to help the disabled victims of sex crimes have gone ignored for years.

Pope Francis must swiftly fire Cardinal Timothy Dolan and move to continue to clean up and remove not only priests, but Bishops and Cardinals that have any involvement in covering up sex crimes and rapes of anyone, including women and children with disabilities.

In light of this fresh off the press AP News story, Pope Francis cannot take requests for Cardinal Timothy Dolan's removal by Michael Carey and this true news reported on Pope Francis News Today, lightly.

“Pope: Media sins by dredging up, sensationalizing old news”

“

Cardinal Dolan and Governor Cuomo must be removed from power, they are protecting, shielding and enabling sexual predator, pedophile and rapist caregivers, allowing them to continue to destroy lives.”

Michael Carey - Advocate for people with disabilities and their families

Governor Cuomo must resign immediately and Cardinal Dolan must be fired by Pope Francis for their combined efforts and involvement in covering up thousands of reported sex crimes committed against people with disabilities within Cuomo's mental health agencies. Governor Cuomo has continued to shuffle or jockey around these sexual predator caregivers from group home to group home just like the Catholic Church leaders moved pedophile priests from parish to parish.

Please watch the Spotlight movie trailer link above which is only a few minutes and then the award winning Spotlight movie to get an understanding of how a large institution, the Catholic Church, was able to get away with a massive pedophile priest cover-up scandal for decades. In the movie, the Editor of the Boston Globe said we are going after the institution and connect the cover-ups to top Church leaders which they did. The same must happen in New York State's mental health care system which has just as many sexual predator caregivers, or more, than the Catholic Church has pedophile priests worldwide.

If we are going to have any institutional changes, which are critical, the Pope must get involved; this is an international crisis. The kingpins and leaders must be exposed and removed from any position of power and authority, they are allowing the sex crimes, the cover-ups and atrocities to continue and they are protecting their institutions instead of the disabled. The institutional cover-ups occurring are massive in scope, they are criminal as hell and they are evil.

New York State Governor Andrew Cuomo is without question the kingpin and leader of the largest sex cover-up scandal since the one exposed by the spotlight investigative reporting team for the Boston Globe. The Sex cover-up scandal that Governor Andrew Cuomo is leading is of epic proportion and Cardinal Timothy Dolan is fully aware, yet has been silent and complicit. State documents and records and Governor Cuomo's own actions to ignore the victims for years all point to the governor's direct involvement. Literally, hundreds of letters have gone to Attorney General Cuomo and Governor Cuomo, there were only a few obtained by the Boston Globe that connected Cardinal Bernard Law that forced his resignation.

The Jonathan Carey Foundation has been doing the investigative research and reporting on these atrocities similar to what the Boston Globe has done. Michael Carey, the founder, has worked night and day to bring the truth to light so that precious people with disabilities will finally be protected from these sexual predators, which are monsters. The truth must be told, Governor Cuomo is the worst of the worst enabler and protector of these sexual predators imaginable, because with full knowledge he has directed the criminal cover-ups of almost all sex crimes occurring within his agencies.

The most dangerous people and criminals are the ones that protect and shield sexual predators and allow them to continue to violate and destroy the lives of many additional innocent victims. Governor Cuomo is a very dangerous person; he has initiated and perfected his sex cover-up scheme of epic proportion that mirrors the Catholic Church pedophile priest scandal.

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo's direct involvement.

Governor Andrew Cuomo and Cardinal Timothy Dolan have worked hard together to protect institutional sex abuse and cover-ups of most of these crimes. In attempts to protect their institutions

Cardinal Timothy Dolan and Governor Andrew Cuomo have failed to protect women, girls, boys and men with disabilities from being preyed on by sexual predators within six State mental health agencies and their private subcontracted agencies. Pope Francis must fire Cardinal Dolan immediately. Governor Cuomo must swiftly resign or be removed from office. Governor Cuomo and other top State officials involved in this massive sex cover-up scheme must be held fully accountable by law, many State and federal crimes are being committed and they must be prosecuted.

Pope Francis cannot deny the fact that people with disabilities are sexually assaulted and raped far more than anyone else in society because of their extreme vulnerabilities. Many people with disabilities are non-verbal and they are unable to defend themselves against this evil which is an international crisis. Pope Francis must now address this international disgrace and crisis, including the entire systemic problem of Church and Government officials looking the other way as these atrocities continue. Pope Francis must stand up and speak up now on the international stage for equal rights and equal protection of laws for people with disabilities. Pope Francis can be part of helping to end wide-scale discrimination and the criminal cover-ups of sex crimes committed against our most vulnerable which is happening worldwide.

Michael Carey and the Jonathan Carey Foundation are calling on Pope Francis to come along side and champion the next greatest civil rights movement in the world. Simply Google abuse of the disabled and you will see a distinct pattern of sexual abuse and cover-ups throughout most major countries, that have publicly surfaced over the last ten years, since 13 year Jonathan Carey was killed by his caregivers. People with disabilities, Jonathan's friends, are precious to God and they need to be treated minimally as an equal human being by us all.

"I am publicly appealing to Pope Francis to help me champion this vitally needed Civil Rights Movement that is dear to Gods heart. We must together defend the defenseless and protect our most vulnerable." - Michael Carey
