

# Longtime Trump Advisor Roger Stone Beats Defamation Charges

*Longtime Trump advisor Roger Stone on Friday beat a defamation case by a political rival who claimed he was falsely portrayed as a child molester.*

PALM BEACH GARDENS, FL, UNITED STATES, December 17, 2017 /EINPresswire.com/ -- Five of six Manhattan Supreme Court jurors discovered that the former New York gubernatorial candidate Warren Redlich "failed to prove by a fair preponderance of the credible evidence" that Stone sent out mailers calling him a sexual predator.

"The evidence wasn't strong enough," the forewoman said following the verdict was announced.
