PUNE, INDIA, December 18, 2017 /EINPresswire.com/ --

[Governance, Risk, and Compliance (GRC) Platform Market 2017](#)

GRC platform is an umbrella term used to cover the approach of an organization toward the three areas: governance, risk, and compliance. Governance can be defined as the boundaries within which an organization should operate. It focuses on providing definitions for an organization's code of conduct to ensure compliance. Risk management consists of developing strategies for tackling the risks to which an organization is exposed. Its framework involves identification, assessment, evaluation, and potential solutions for risks. Compliance focuses on adhering to external requirements such as wider corporate policies, laws, and regulations. GRC platform enables organizations to reinvent themselves, develop a more economical cost structure, and increase overall efficiency.

The analysts forecast the global GRC platform market to grow at a CAGR of 8.35% over the period 2015-2019.
