

Elevators and Escalators 2017 Japan Market Expected to Grow at CAGR 4.96% and Forecast to 2021

WiseGuyReports.com adds "Elevators and Escalators Market in Japan 2015-2019" reports to its Database.

PUNE, INDIA, December 19, 2017
/EINPresswire.com/ --

About [elevators and escalators](#)

Elevators and escalators are installed in commercial, residential, and mixed-use buildings; as well as IT parks, hotels, restaurants, and retail outlets. They help move people and goods easily and efficiently. They are also installed in parking areas to help in optimum utilization of space.

Technavio's analysts forecast the elevator and escalator market in Japan to grow at a CAGR of 4.96% over the period 2014-2019.

Covered in this report

This report covers the present scenario and the growth prospects of the elevator and escalator market in Japan for the period 2015-2019. To calculate the market size, the report considers revenue generated from the domestic market, and the export of elevators and escalators manufactured in Japan. The domestic market includes revenue generated through installation, maintenance and repairs, and modernization of elevators and escalators within Japan. However, a similar breakup in terms of exports is not included in the report. The report also presents the vendor landscape, a corresponding detailed analysis of four key vendors, and a brief description about other prominent vendors operating in the market. In addition, the report discusses the major drivers that influence the growth of the market, outlines the challenges faced by vendors and the market at large, as well as key trends emerging in the market.

Key customer segments

- Commercial customers
- Non-commercial customers

Key vendors

- Fujitec
- Hitachi
- Mitsubishi Electric
