

Selfie From Hell: “A film that will make you think twice about being so damn vain!” – IHORROR.COM

VANCOUVER, BC, CANADA, December 21, 2017 /EINPresswire.com/ -- Since 2015 a Short video titled '[SELFIE FROM HELL](#)' has been going viral, scaring literally millions with one well placed, well timed, jump-scare - the jump-scare heard around the world. Youtube: <https://www.youtube.com/watch?v=EhAFyaObY6U>

A viral video scares millions, why? Because we are a generation obsessed with our image, we can't stop even if we tried! [IndustryWorks Studios](#), the producers behind the horror cult-phenom 'American Mary' decided to give first-time director Erdal Ceylan a shot at his first feature film. With his jump scare shared by millions online, from its roots in Germany to Japan to Philippines and across the pond to the USA, seems like anyone between the ages of 13-35 with a cell phone, tablet or computer got a glimpse of what might be beyond our 'selfies', what technology has lurking in the dark corners of the internet and what the infamous 'dark net' has in store for us...

About IndustryWorks Studios/Pictures

IndustryWorks Studios/Pictures is committed to the primary efforts of developing, producing and releasing creative and marketable content into the worldwide marketplace with a recognizable brand of content and quality. IndustryWorks releases films theatrically and on all platforms globally while providing independent productions with the support and ability to market, schedule, budget and ultimately release their films theatrically.

About Southpaw Productions

Paul Burton formed Southpaw Productions Incorporated to facilitate working on many productions in Vancouver, Canada. Southpaw has been fortunate enough to have worked on feature films, MOW's, and television series such as 'The X-Files', 'Seven Days', 'Battlestar Galactica', and 'Supernatural' to name a few. Southpaw also lends its' creative experience to local companies to develop and shape such films as 'Cannibal Lipstick', 'The Privileged', and produced the eagerly anticipated feature film 'Selfie From Hell'. This company is currently forging a path for showcasing local talent and filmmakers, as well as launching original projects sought after by major studios.
