About Quick Quack Car Wash
Quick Quack Car Wash has over forty locations in California, Utah, Texas, and Colorado. The Quick Quack Car Wash concept grew from a desire to get cars clean using the best technology and to do it extremely fast. Fully automated and computerized, the high-quality and environmentally-friendly car washing system uses neoprene foam, soft cloth and filtered, recycled water. The customer stays in their vehicle while being automatically guided through the car wash where the vehicle is soaked, soaped, washed, polished, rinsed with spot-free water, and dried, all in a matter of minutes.
