WiseGuyReports published new report,
titled "Ethical Luxury"

Summary

"TrendSights Analysis: Ethical Luxury", is part of TrendSights series and explores how brands can combine premium credentials with responsible and sustainable choices.

Quality-focused consumers are embracing products that they consider to be both ethically virtuous and personally pleasurable - premium products signifying improved sustainability and responsibility. The sense of status acquired through the consumption of responsible products is appealing to consumers in both encouraging premium spend to trade up to these products but also justifying the premium positioning of these offerings.
