

Church Facility Management Solutions goes LIVE!

Best-in-class facility management resources for EVERY church

CHARLOTTE, NORTH CAROLINA, UNITED STATES, February 6, 2018 /EINPresswire.com/ -- Cool Solutions Group of Charlotte, NC is excited to announce the release of the only online community focused exclusively on facility management best practices, processes, means and methods for the Church and House of Worship communities.

Church Facility Management Solutions is designed and intended to provide best-in-class facility management information for EVERY church, regardless of size, shape, denomination, city, state, staffing structure...ANY one!

A membership in the CFMS community provides members:

“

You should not be without this resource!”

Dr. Thom Rainer

1. Weekly Information sent directly to members to help them be proactive and intentional with the care of their facility
2. Online Community so that members can get input and feedback from hundreds of other church and facility leaders
3. Monthly Webinars by industry professionals to provide relevant information and resources for their church facility management

4. Vetted Vendors will put a list of qualified vendors at members fingertips with the assurance that they have been pre-qualified...and they do not pay to be on this list
5. Free Resources will be developed and made available to members including worksheet, forms, policy docs, job descriptions, etc.
6. Availability to Consulting and Training Services

Dr. Thom Rainer, President and CEO of LifeWay Christian Resources said, “Regardless of your church size, you need to be thinking about the best use and management of your facilities. There is no better place than this community. It offers the best of church facility expertise along with peer learning. You should not be without this resource!”

Registration for this new online community was open to the general public on Monday February, 5, 2018. More information can be found [HERE](#).

“We focus on your facility so you can focus on your mission.”
