---

*According to National Lenders, among National Title Companies, NLS provides the most accurate and complete LE & CD quotes.*

PRARIE VILLAGE, KANSAS, UNITED STATES, December 29, 2017 /EINPresswire.com/ -- [Nations Lending Services, Inc.](#) (NLS), a division of the Nations Companies, and a national provider of title and escrow services, today announced the availability of ['Enhanced' LE & CD Quotes](#). Finally there is a way for lenders to measure all title related fees, including taxes and recording fees, in one quote for all U.S. states. This goes way beyond traditional title companies who only offer quotes for basic title and escrow fees.

Through its proprietary software [TitleTRAX™](#), first created in 1997, NLS is now issuing 'Enhanced' LE & CD Quotes. Interested clients utilize a single quote system for all U.S. states, online or XML exchange, that includes:

- a. Unique City, County, and State - Taxes & Recording Fees.
  - b. Correct State by State Re-issue Rates - Lowest Rate Possible.
  - c. Free Customized Mapping - Quotes for LE & CD to Desired Lines.
- XML exchange partners include: Encompass, Calyx, Lending QB, etc.

With over 30 years as a truly national title and escrow company, NLS realizes that complete and accurate quotes matter to lenders and that many states and/or regions are unique as to all fees charged, particularly taxes and recording fees. Lenders need rapid and real time feedback on each LE & CD quote to maximize loan closings monthly in every distinct state/area.
