

NY Governor Cuomo Must be Prosecuted

It is time to remove and prosecute the bad apples in the "Big Apple" starting at the top with Governor Andrew Cuomo

ALBANY, NEW YORK, UNITED STATES, January 1, 2018 /EINPresswire.com/ -- For over ten years, from 2007 to present, Attorney General Cuomo and then [Governor Andrew Cuomo](#) have protected New York State's massive Medicaid Fraud Ponzi Scheme which involves financially exploiting people with disabilities.

The award winning New York Times "Abused and Used" investigative reporting series, which leading Civil and Disability Rights Advocate, Michael Carey, convinced the Times to do, became a runner up for a Pulitzer Prize.

Powerful and wealthy people have protected Gov. Andrew Cuomo for many years, which is the only reason why he has not been prosecuted yet for Medicaid Fraud and cover-ups of thousands of sex crimes

“

Governor Andrew Cuomo has directed a Medicaid Fraud Ponzi Scheme & Sex Crimes Cover-Up Scandal of Epic Proportion.”

Michael Carey - Advocate for people with disabilities and their families

This scathing investigative reporting series that came out throughout all of 2011 exposed New York State's corrupt and extremely dangerous and deadly mental health care system. Instead of taking numerous emergency actions to protect 1,000,000 New Yorkers with disabilities, Governor Cuomo, instead, chose to continue the cover-ups of most sex crimes and deaths of people with disabilities.

The New York Times Editorial Board later blasted Governor Cuomo for his inaction and for his refusing to ensure the most basic steps to protect the disabled. The "Abused and Used" investigative series should have catapulted major reforms to

protect our most vulnerable, including surveillance cameras and immediate and direct reporting to 911 call centers so local police can respond and investigate crimes. Cuomo, basically by his inactions, was saying, the hell with the disabled.

The New York Times Editorial is titled, "Protecting the Most Vulnerable".

[The federal government](#) also investigated Cuomo's corrupt system and found New York State, wanton

and guilty, yet most of these crimes continue by Governor Cuomo's directive to date. Here is the extremely damning federal report from February of 2013;

Billions of Federal Tax Dollars Wasted Annually by New York's Medicaid Program

<http://oversight.house.gov/wp-content/uploads/2013/02/Medicaid-Committee-Report-ANS-2.pdf>

"Examples of Problems in New York's Medicaid Program

- Misspending in New York's long-term care Medicaid program
- Overpayments to New York Developmental Centers
- Abuses of Medicaid Eligibility Rules in New York
- Excessive Salaries Paid to Executives of Medicaid-funded Organizations

-New York's Medicaid Program Harms Many Patients

-New York Has a History of Enabling Medicaid Waste, Fraud, and Abuse

- Corruption and Cronyism of New York State Officials
- Problems with State Oversight of the Medicaid Program"

During the same time, 2007 – present, Cuomo has protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from being fired, from being prosecuted and from being placed on the sex abuse registry. This timeline proves years of Governor Andrew Cuomo's direct involvement.

Governor Andrew Cuomo must be removed from office, indicted and prosecuted to the full extent of the law for his involvement in defrauding the federal government of billions of federal tax dollars and for covering up thousands of reported sex crimes committed against people with disabilities within his agencies.

The famous quote by historian and moralist John Emerich Acton expressed in a letter to Bishop Mandell Creighton in 1887 speaks volumes;

"Power tends to corrupt, and absolute power corrupts absolutely."

"Ambition, power and money used wrongly leads to men and women selling out their souls. Thank God for the hope and promise of redemption through His son Jesus, but the choice to turn to Him and away from wickedness is in our hands. The decision is ours, life or death, good or evil, God's ways or our ways, which will it be? This New Year will be a year of great reckoning and hopefully a year that will go down in the history books as a year of a great spiritual awakening." – Michael Carey

Governor Andrew Cuomo said this, no one else, but he himself;

["I am the government"](#)

It is Governor Cuomo who is responsible for the massive Medicaid Fraud and Cover-Ups of most

rapes of women and children with disabilities within his agencies, which are the most egregious crimes in New York State's history.

Recently, Governor Cuomo reacted in a shocking and angry way to a women reporter, Karen Dewitt, when she asked the Governor about the State's handling of sexual harassment and sexual abuse. Governor Cuomo responded by saying the problem is not with government, or in his mind, himself, but in all reality, Governor Cuomo is the epitome of this very epidemic.

To further bring to light what Governor Cuomo has been doing to keep local police out of the picture, he has directed law enforcement agencies throughout all of New York State to funnel sex crimes and all sorts of other horrific crimes, including homicides back to his fraudulent State agency wrongfully titled, 'the Justice Center.' Google the NYS Justice Center/ Governor Cuomo to see the history.

Governor Cuomo's Building on Success book –January 2014 - from pages 192-193

"Beginning in 2014, Governor Cuomo will direct the Justice Center to conduct statewide training programs to educate local law enforcement agencies at every level about the mandate of the Justice Center, its jurisdiction and the critical role it plays in criminal investigations related to the abuse and neglect of vulnerable New Yorkers."

Michael Carey met with NYPD Deputy Commissioner Susan Herman regarding these criminal and civil rights atrocities because most crimes against the disabled within the New York City borders are being covered up by Cuomo's bogus Justice Center. New York City residents with disabilities are being denied 911 emergency services and they are being denied the constitutional right to - equal protection of laws. Here is an email response from Deputy Commissioner Herman to Michael Carey;

"I have spoken with others here who agree that the US Attorney's Office looking into this matter is the right next step.

Best wishes,
Susan Herman"

The New York State Comptroller's office audit of the Justice Center's operations, which was also requested by Michael Carey and requested to determine what crimes against disabled New Yorkers did or do go to local police was obstructed by Governor Cuomo and his top staff.

https://www.buzzfeed.com/benhattem/scathing-report-says-ny-agency-is-failing-people-with-disabi?utm_term=.f1R5qAkyz#.nma6PKMw9

"The state agency tasked with protecting New Yorkers with disabilities failed to blacklist serial abusers, took almost a year to investigate numerous cases without documenting why, and blocked auditors from seeing more than 70% of crucial records, according to a scathing new report from the office of the State Comptroller."

"This agency is legalized obstruction of justice and it needs to be abolished,"- Assemblyman Thomas Abinanti

Upon a further discussion with Comptroller DiNapoli after the release of their audit, Michael Carey

asked Comtroller DiNapoli how many of the substantiated cases of abuse, that are almost all felonies, were or were not reported to the police? Comptroller DiNapoli's response was "I don't know, I will have to get back to you."

A week or so later here is the response from the Comptroller office, which came to Michael Carey by email on April 5, 2017;

"As we discussed, when the Justice Center provided to our auditors the population of substantiated cases, they did not provide us with information related to whether the cases were referred to 911 or other law enforcement."

There is only one reason to hide this information regarding what reported crimes did or did not go to local police from an official audit and the general public, which is to cover-up illegal activities. Governor Cuomo is an extreme danger, he is directly involved in a sex cover-up scandal similar to the Catholic Church pedophile priest scandal exposed in 2002. Staggering numbers of women and children with disabilities within Governor Cuomo's mental health care system are being sexually assaulted and raped by known and previously caught sexual predators, pedophiles and rapists. Governor Cuomo has cut deals with the unions to protect sexual predator New York State employees. Governor Cuomo has continued to shuffle or jockey around these sexual predator caregivers from group home to group home, just like the Catholic Church leaders moved pedophile priests from parish to parish.

Please watch the Spotlight movie trailer link above which is only a few minutes and then the Oscar award winning 'Spotlight' movie to get an understanding of how a large institution, the Catholic Church, was able to get away with a massive pedophile priest cover-up scandal for decades. In the movie, the Editor of the Boston Globe said we are going after the institution and connect the cover-ups to top Church leaders which they did. The Jonathan Carey Foundation connects the dots to the same type of sex cover-up sandal that is happening in New York State's mental health care system, but far worse, directly to Governor Andrew Cuomo. New York State has just as many sexual predator caregivers or more than the Catholic Church has pedophile priests worldwide.

If we are going to have any institutional changes, which are critical, the kingpins and leaders must be exposed and removed from any position of power and authority, they are protecting their institutions, money and the institutional cover-ups. New York State Governor Andrew Cuomo is without question the kingpin and leader of the largest sex cover-up scandal since the one exposed by the spotlight investigative reporting team for the Boston Globe. The Sex cover-up scandal that Governor Andrew Cuomo is leading is of epic proportion. State documents and records, as well as Governor Cuomo's own actions to ignore the victims for years, all point to the governor's direct involvement. Literally, hundreds of letters have gone to Attorney General Cuomo and Governor Cuomo by again, Civil and Disability Rights Advocate, Michael Carey, there were only a few obtained by the Boston Globe that connected Cardinal Bernard Law and forced his resignation.

The Jonathan Carey Foundation has been doing the investigative research and reporting on these

atrocities similar to what the Boston Globe has done. Michael Carey, the founder, has worked night and day to bring the truth to light so that precious people with disabilities will finally be protected from these sexual predators and dangerous criminals. The truth must be told, Governor Cuomo is the worst of the worst enabler and protector of these sexual predators imaginable, because with full knowledge, he has directed the criminal cover-ups of almost all sex crimes occurring within his agencies.

The most dangerous people and criminals are the ones that protect and shield sexual predators and allow them to continue to rape and destroy the lives of many additional innocent victims. Governor Cuomo is a very dangerous person; he has initiated and perfected his sex cover-up scheme of epic proportion that mirrors the Catholic Church pedophile priest scandal.

Governor Andrew Cuomo has failed to protect women, girls, boys and men with disabilities from being preyed on and raped by sexual predators within his six mental health agencies. Governor Andrew Cuomo must be swiftly removed from office. Governor Cuomo and other top State officials involved in this massive sex cover-up scheme must be held fully accountable, they must be prosecuted.

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes, the obstruction of justice and criminal conspiracy to protect sexual predators, pedophiles and rapists must be held fully accountable.
