LiveEdu is a decentralized learning ecosystem that teaches people how to build complete products in future technological fields. They are building the YouTube for online education. You can also describe their ecosystem as the next-generation Lynda.com. Unlike existing online education platforms, LiveEdu is not focused on beginners but mainly intermediates to experts. People learn on LiveEdu by watching how peers build real projects and can also download all project resources and files. The new LiveEdu platform is set to launch in 2018 and will start with eight main topics which encompass several subcategories: Artificial intelligence, Cybersecurity, Game Development, Data Science, Cryptocurrencies, programming, Design, and Augmented and virtual reality. Project creators in the LiveEdu ecosystem will build 10,000 projects for these topics.

CoinAgenda Summit will be held in Las Vegas, Nevada on January 7-8, 2018. This will be the largest CoinAgenda to date, with more than 25,000 sq feet at Caesar's Palace to hold 1,000 attendees, 40 speakers/presenters, and 75 exhibits. There will be an opening party on Sunday, January 7, and the conference on Monday, January 8.

There will be great speakers such as Howard Marks, CEO, and Co-founder of StartEngine Crowdfunding; Vinny Lingham, CEO and Co-Founder of Civic; Jeff McDonald, Vice President of NEM; Seth Shapiro, Two Time Emmy Award Winner; Shawn Owen, CEO of SALT Lending; and over thirty (30) others.
