Description

WiseGuyReports.Com adds" Global High-voltage Power Cable Market 2015-2019 "Research To Its Database.

An HUD is a display indicator that displays the key flight information onto a transparent A power cable is an insulated strand of wires used to transmit electricity at variable voltage levels. It is mainly used in overhead lines, buildings, and underground wiring applications to transmit electricity. It is available in different sizes and shapes according to the requirements of industries such as telecommunication, electrical equipment, construction, and motor vehicle industries. This cable can be classified into four broad categories depending on their operating voltage applications: low-voltage, medium-voltage, high-voltage, and extra high-voltage.

This report covers the present scenario and the growth prospects of the global high-voltage power cable market during the period 2015-2019. For ascertaining the market size and vendor share, the report considers revenue generated from the sales of high-voltage power cables.

The Global High-voltage Power Cable Market 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects in the coming years. The report includes a discussion of the key vendors operating

in this market.

Key Vendors

- o General Cable
- o Nexans
- o Prysmian
- o Sumitomo Electric Industries

Other Prominent Vendor

- o Belden
- o Encore Wire
- o Finolex Cables
- o International Wire Group
- o KEI Industries
- o Okonite
- o Southwire

Market Driver

- o Growing Demand for Energy
- o For a full, detailed list, view our report

Market Challenge

- o Fluctuation in Raw Materials Costs
- o For a full, detailed list, view our report

Market Trend

- o Increased Investment in R&D
- o For a full, detailed list, view our report

Key Questions Answered in this Report

- o What will the market size be in 2019 and what will the growth rate be?
- o What are the key market trends?
- o What is driving this market?
- o What are the challenges to market growth?
- o Who are the key vendors in this market space?
- o What are the market opportunities and threats faced by the key vendors?
- o What are the strengths and weaknesses of the key vendors?
