

Reflections Laser Wellness Wins Expertise Award

Reflections Laser Wellness Center has been named Best Laser Hair Removal Company in Florida from Expertise.com.

BOCA RATON, FL, US, January 3, 2018 /EINPresswire.com/ -- National business review company, [Expertise](#) LLC, has named [Reflections Laser & Wellness Center](#), a Florida corporation, the Best Laser Hair Removal Company in the state of Florida.

Expertise narrowed down the candidates by scoring the top laser hair removal companies on more than 25 variables across five categories, and analyzed the results before hand picking the best laser hair removal company. The selection criteria included reputation, credibility, experience, availability, and professionalism.

Reflections Laser & Wellness Center is an acclaimed skin health and beauty clinic located in Boca Raton, Florida. In addition to laser hair removal, the facility offers various services for the beauty and wellness needs of clients such as acne treatments, chemical peels, skin whitening, skin tag removal, micro-needling, hormone replacement therapy and permanent make-up.

“We are honored to have been recognized by Expertise,” said Janet Robbins, master medical esthetician and founder of Reflections Laser & Wellness Center. “We use state-of-the art equipment and have a staff that truly cares about our clients and constantly striving for perfection. We provide a spa-like environment where modern functional medicine meets conventional wisdom.”

Additionally, the company has launched a second group dedicated to assisting cancer patients with a unique solution for cancer patients to feel better and look better. The company offers its proprietary Oncology Facials which specifically targets skin and body effects of cancer and its treatments. Permanent make-up and Areola Cosmetic Tattooing is also part of the services designed specifically for oncology patients.

The company’s success is no accident. Robbins is considered a pioneer in her field with more than 20 years of experience as well as a degree from the Florida College of Natural Health. Robbins is the creator of the 350-hour aesthetic program at the Alpha Institute of Massage & Aesthetics and has an advanced training facility for licensed professionals. She sits on the Board for the Anton Academy of Massage & Aesthetics and has been featured in Society Magazine and Florida Women.

Several investors have made offers to franchise the company, however, Robbins has turned the offers away. “While the equipment can of course be duplicated, it would be difficult to be able to duplicate the dedication and professionalism of my staff. While the offers were generous, I would not want to jeopardize the reputation of the Reflections Laser & Wellness brand.”

Reflections Laser & Wellness Center support the American Cancer Society, the cancer Alliance of Help & Hope, and Susan G. Komen South Florida.
