

NVBDC WELCOMES DUPONT AS A SPONSOR

DETROIT, MI, UNITED STATES, January 8, 2018 /EINPresswire.com/ -- The list of corporate sponsors continues to grow for The National Veterans Business Development Council (NVBDC). Announced today, DuPont has agreed to join the NVBDC as an annual sponsor. Founded in 1802, DuPont is one of the world's most successful science and engineering enterprises. The Fortune 500 company is ranked as the fourth largest chemical company in the world.

“DuPont has a rich history of engaging with Veterans through our employees, products, and suppliers. For over 200 years we have made products to support those in harm's way, including modern brands such as DuPont™ Kevlar® and Nomex® fibers. We are committed to veteran hiring initiatives and actively supporting veteran's groups. Today, we are excited to carry on that legacy as we join forces with NVBDC as a corporate member, continuing to advance opportunities for Veteran-owned suppliers.”

“Every time a new sponsor joins our team, we see it as endorsement of our Certification Program. Since our mission at the NVBDC is to provide Service Disabled and Veteran Owned Businesses (SD/VOBs) with the tools to be successful, corporations like DuPont ensure we can continue to achieve our immediate and future goals” said Keith King, President of NVBDC.
