

Cardiac Direct Launches New Website

www.cardiacdirect.com

VENTURA, CA, USA, January 8, 2018 /EINPresswire.com/ -- On January 8th, 2018 Cardiac Direct a leading provider of high quality, cost-conscious diagnostic medical equipment went live with their new website www.cardiacdirect.com.

CardiacDirect.com includes extensive product information to help customers understand Cardiac Direct's complete range of medical solutions. The new website was designed with the user in mind allowing them to view the best version of the website without losing functionality or content, whether they are on a mobile device, laptop, tablet, or desktop computer.

CardiacDirect.com has a clean uncluttered design, improved functionality and enhanced rich content focused on the company's mission to provide you, the customer what you want and need at the best possible price around.

"We are excited about our new website launch and the robust information it provides for our customers, investors, partners, and media to better understand Cardiac Direct's best-in-class medical product offerings," said Jack Wang of Cardiac Direct. "We believe that this new site will allow our visitors to have a very informative experience as we continue to grow and increase our market presence."

Cardiac Direct's new website will be updated on a regular basis with news of product launches, business activity, corporate milestones, events, and information to help educate the consumer to aid in making the best purchase for them. Visitors are encouraged to explore the website and sign up for direct emails from at www.cardiacdirect.com/contact

The new CardiacDirect website is available to explore immediately at www.cardiacdirect.com.
