

# Private Jet Charter services in London

---

MAYFAIR, LONDON, UNITED KINGDOM, January 8, 2018 /EINPresswire.com/ -- London, UK is one of our top destination for private jet charter travel. Whether it's the clientele from Asia or within Europe itself, what's not to love about London. Even in gray skies and rainy days, the life seems to never skip a beat.

We will take you Everywhere”  
*Icarus Jet*

While flying to London on a clear day, you can witness awesome views along the Thames like the Houses of Parliament, Big Ben and then Greenwich and Canary Wharf. From the modern London Eye to the historic Tower of London, there are many tourist attractions worth visiting. Your

experience and wonders are not just for the touristic reasons as the business Jet charter is more a precedent than tourism. Icarus Jet does from Jet Charter away and out of London than into London. Of course, everyone seems to want to get to the Island of Mykonos or Ibiza, Marbella. The fun in this short hops are unending. Jet charter is often associated with Luxury, but the luxury being offered is the luxury of Time. We ensure that each and every need of our clients are catered for to the highest standards.

Let Icarusjet fly you from London to Mykonos, Marbella, Ibiza, Tivat

We are an aircraft services firm based in Dallas, Texas with our offices in London Mayfair. Icarus Jet specializes in providing private jet charter with highest safety standards and flawless operation. Most of our sales crew have been in aviation long before they decided to work for Icarus Jet. For example, our crew member Gurtej Dhanjal is not only our Charter broker but also a qualified Aircraft Maintenance Engineer. His crossover within the aviation Industry is a great success story. Rest of our team of highly devoted and professional staff will ensure that your journey with us will be a lifetime experience for you, with a 100 % dispatch reliability and a thorough process of aircraft selection, the success of every trip is our number one priority.

We have plenty of aircraft options for a charter that provides a highly safe and cost-effective air travel. Light jets like Learjet 35, Falcon 10 for 4-8 passengers, mid-size jets like Hawker 800, Falcon 20 for 5-9 passengers and heavy jets like Global 5000 for 10-19 passengers.
