

FEARLESS Offers Last Chance Discounts for The FEARLESS Man Live Success Seminars

The FEARLESS Man Live, the top-rated success seminar for men, is offering a special discount

LOS ANGELES, CA, UNITED STATES, January 8, 2018 /EINPresswire.com/ -- The FEARLESS Man Live, the top-rated success seminar for men, is offering a special discount on tickets this week for the introductory early-bird rate of just \$97.00.

The limited-time pricing - offer ends Wednesday, January 10 at 9pm PST/12:00am EST - is good for The Fearless Live events in either Los Angeles (Feb 17-18); New York City (April 7-8) or Bucharest, Romania (May 5-6). On January 11, tickets will increase to the new full price of \$297.

FEARLESS co-founder Brian Begin, who launched The FEARLESS Man Live with partner Dave Stultz nearly a year ago, said, "I love this event because we can make it really valuable at a low cost, making it accessible to anyone who's serious about their development as a man, so I wanted to offer it to guys at our lowest introductory rate one more time as 2018 gets in gear.

"Helping men is one of my life's callings, and these two days really let us dive into masculinity, building genuine confidence, and naturally attracting beautiful women into your life."

During the seminar, attendees will learn what makes them attractive to women, how to step into masculinity, change relationships with fear and tension, make deeper emotional connections, become comfortable with approaching and starting conversations with women, how to express sexual intent and have confidence that doesn't rely on a job, looks or money.

"This is such a powerful event because a lot of men these days don't grow up with strong, healthy masculine role models," said Stultz. "The FEARLESS Man Live gets guys together with other guys for all important male-bonding and education in masculinity from an authentic place... a place of authentic confidence – not fake macho bravado.

"We really do all we can to throw everything but the kitchen sink at them in terms of helping them at a low cost for two full days."
