/EINPresswire.com/ --

Report Sellers has added a new market research report "[Structural Insulated Panel - Global Market Outlook \(2017-2023\)](#)" to its offerings.

Global Structural Insulated Panel Market Research Report

According to Report, Increasing construction activities, cost efficiency of insulated panels, and growing demand from emerging economies are some of the factors boosting the market growth during the forecast period. In addition, raising demand for energy efficient buildings, rapid urbanization are some of the other factors propelling the market growth. On the other hand, threat from substitute products, lack of awareness, and strict government regulations are hindering the market growth.

Asia Pacific region is expected to register remarkable growth rate during the forecast period. The growth is attributed to rapid urbanization and extending construction activities in emerging economies such as India, Japan, and China. North America and Europe are major markets for structural insulated panels due to high adoption and growing demand for energy efficient structures.

Some of the key players in [global structural insulated panel market](#) include AlShahin, ArcelorMittal, BCOMS, Dana Group, Hoesch, Isopan, Kingspan, Marcegaglia, Metecno, Multicolor, NCI Building Systems, Nucor Building Systems, Panelco, Paroc Group, Pioneer India, RigiSystems, Romakowski, TATA Steel, Tonmat, and Zamil Vietnam.
