

Global Self-Leveling Concrete Market is Expected to Reach \$7.34 billion by 2023

Market Research Report on Global Self-Leveling Concrete Market

RAIPUR, INDIA, January 9, 2018
/EINPresswire.com/ --

Report Sellers has added a new market research report "[Self Leveling Concrete - Global Market](#) Outlook (2017-2023)" to its offerings.

According to Report, the [Global Self-Leveling Concrete market](#) is expected to grow from \$4.81 billion in 2016 to reach \$7.34 billion by 2023 with a CAGR of

6.2%. Increasing construction activities, cost efficient methods of self leveling concrete, and raising demand from emerging countries are some of the major factors bolstering the market growth. In addition, rapid urbanization in developing economies, growing refurbishing old constructions are some of other factors propelling the market growth during the forecast period. However, low adoption rate among end users, high raw material prices are the restraints limiting the market growth.

Underlayment is projected to witness high growth rate between the concrete types during the forecast period. The growth is attributed to increasing industrialization, raising government spending on public infrastructural activities are expected to fuel the underlayment segment growth. The commercial end user segment leads the market globally with the biggest market share and is expected to grow with a high CAGR during the forecast period due to increasing adoption from aviation & transportation, manufacturing, retail, and science and technology institutions among the regions.

By region, Europe is commanding the market with largest market revenue during the forecast period. Increasing renovation activities of old constructions, increasing adoption of self-leveling concrete in Germany and Italy are assisting the Europe market growth. Asia Pacific is projected to register high growth rate during the forecast period. The growth is attributed to increasing government initiatives to develop public infrastructure, and rapid urbanization in emerging countries such as India and Japan are favoring the market growth in Asia Pacific region.

Some of the key players in global self-leveling concrete market include Ardex Group, Arkema Group, CTS Cement, Dayton Superior Corporation, Duraamen Engineered Products, Inc., Durabond Products Limited, Durex Coverings, Inc., Edison Coating, Inc., Flowcrete, Fosroc, Harricrete Ltd., Lafargeholcim, Laticrete International, Inc., Mapei S.P.A, Saint-Gobain S.A., Sakrete, TCC Materials, The Quikrete Companies, and W. R. Meadows, Inc.

Global Self-Leveling Concrete Market Research Report

What does the Report Offers

- Market share assessments for the regional and country level segments
- Market share analysis of the top industry players
- Strategic recommendations for the new entrants
- Market forecasts for a minimum of 7 years of all the mentioned segments, sub segments and the regional markets
- Strategic recommendations in key business segments based on the market estimations
- Competitive landscaping mapping the key common trends
- Company profiling with detailed strategies, financials, and recent developments

Report Scope

Global self-leveling concrete market has been segmented by concrete types covered, end users covered and regions covered

Concrete Types Covered:

Toppings

Underlayment

End Users Covered:

Residential

Commercial

Regions Covered:

North America

US

Canada

Mexico

Europe

Germany

France

Italy

UK

Spain

Rest of Europe

Asia Pacific

Japan

China

India

Australia

New Zealand

South Korea

Rest of Asia Pacific

South America

Argentina

Brazil

Chile

Rest of South America

Middle East & Africa

Saudi Arabia
UAE
Qatar
South Africa
Rest of Middle East & Africa
