*For the third year in a row, Massey Consulting has made the list of Top 100 VARs in the accounting software industry.*

RALEIGH, NORTH CAROLINA, UNITED STATES, January 11, 2018 /EINPresswire.com/ -- Massey Consulting has been nominated as one of Bob Scott's VAR Stars for 2017. This is Massey's third consecutive year making the list as a top value-added reseller for accounting software.

Bob Scott's VAR Stars are a selected group of 100 organizations, nationwide, honored for their accomplishments in the field of midmarket financial software. Members of the VAR Stars list were chosen based on various factors, including growth, innovation, industry leadership, and overall recognition.

The firms selected, ranging from small to large in size, represent a diverse realm of software publishers in the accounting software industry.

"Each year, 100 VAR Stars are picked from the best organizations that market financial software. It is always an honor to recognize those who contribute to the development of our business," announced Bob Scott.

Massey has been a value-added reseller of Sage Intacct's best-in-class ERP software since 2011. In addition to being a reseller for Sage Intacct, Massey Consulting is also recognized as a Microsoft Dynamics 365 and Microsoft Dynamics Great Plains reseller.

"The recognition from this award is an honorable indicator of our development as a company, as well as our growth as a partner and cloud-solution provider," says Philip Massey, President and CEO of Massey Consulting.
