*Nature with You showcased and gifted its handcrafted symbolic jewelry to celebrities and VIPs at GBK's 2018 Golden Globes Luxury Lounge.*

HENDERSON, NEVADA, UNITED STATES, January 10, 2018 /EINPresswire.com/ -- Nevada-based Nature with You ([www.naturewithyou.com](http://www.naturewithyou.com)) is pleased to announce its participation, in association with The Artisan Group®, in a by-invitation-only luxury celebrity gift lounge hosted by GBK, honoring the nominees and presenters of the 2018 Golden Globes. The gift lounge took place January 5-6, 2018 at an exclusive location in Beverly Hills, California.

Nature with You had on display at The Artisan Group exhibit three handcrafted necklace designs, each meant to celebrate color and bring meaning to the wearer. The first necklace is a Triquetra or Celtic Knot and symbolizes eternity, the timelessness of nature, and ever ending love. The second necklace features an ocean wave and signifies nature and its power and endlessness. The third necklace, an Eye of Horus, is meant to act as a symbol of protection.

Celebrities and VIPs stopping by The Artisan Group's display received a pair of handcrafted [Seed of Life Cufflinks](#) as part of their signature black swag bag. The cuff links are embellished with the Seed of Life motif and are a tribute to the energies of this ancient and universal symbol.

Says Nature with You owner/designer Lori Ferguson, "The Seed of Life pattern is made of seven interlocking circles, which some believe represents the seven days in which God created life. The story goes that first one circle was created. Each day thereafter, another circle was added. Finally the seed of life was born. From this shape came the Flower of Life, which contains the blueprint of the universe. The oldest version of the Seed of Life can be seen in the Temple of Osiris at Abydos, Egypt."

Lori creates meaningful jewelry for those looking for significance in what they wear and those who love color. Customers come to her when they are looking for unique handcrafted designs that celebrate life, weddings, birthdays, engagements, and more.

Lori is a member of the juried, by-invitation-only The Artisan Group, an arts promotion group that focuses on spreading the word about the handcrafted movement. Nature with You jewelry was been worn on Season 6, Episode 1 of The CW's "Arrow," and has been gifted at GBK's celebrity gift lounges for the MTV Movie Awards in 2014 and 2015 and the Golden Globes in 2016.

Nature with You has been mentioned in AMB Magazine, which said, "Boring cufflinks are so last season! Nature with You dazzles their cufflinks with unique designs like the Wine & Trinity Knot cufflinks." LA's the Place noted, "[Lori Ferguson] has found making jewelry to be a passion, while traveling frequently, different cultures and energies influence [her] designs."
