

OWI EU - Offshore Well Intervention Conference Europe Agenda Announced

Shell, PETRONAS and ExxonMobil join OWI EU

ABERDEEN, ABERDEENSHIRE, SCOTLAND, January 11, 2018 /EINPresswire.com/ -- OWI EU is back for a 5th consecutive year - and this time Shell, Petronas and ExxonMobil have joined the agenda.

For more information access the agenda here: <https://tinyurl.com/EIN-Agenda>

Over the past 5 years OWI has cemented itself as the North Sea's leading conference for well intervention experts – and for 2018 we have pulled out all the stops to give you 3 days of unrivalled networking, operator insight and exclusive case studies you simply can't get anywhere else!

The 5th Annual Offshore Well Intervention Conference programme includes...

- Keynote operator day exploring the latest brownfield intervention strategies E&P companies are developing for their 2018 field campaigns
- Dedicated P&A and production enhancement technical sessions focusing on the core challenges that operators need to overcome this year
- 28 exhibitors filling the newly designed technology showcase hall with the most innovative downhole and workover technology
- 5 interactive training workshops to ensure you have the latest regulatory, well integrity, wireline, P&A and well control best practice
- 300 senior well intervention decision makers to network with at the North Sea's most influential intervention gathering

With the oil price at a four year high, more market confidence and proactive well centric regulations, OWI EU couldn't be more timely... Don't miss out, download the full brochure here <https://tinyurl.com/EIN-Agenda>
