

Small Business IT Support in Bethlehem, Allentown, & Easton Available from KDG

For over 16 years, KDG has been a leading provider of Lehigh Valley IT support for small businesses.

ALLENTOWN , PENNSYLVANIA , UNITED STATES , January 15, 2018

/EINPresswire.com/ -- For small businesses worried about the latest security breaches and updates, [small business IT support](#) can be found in Bethlehem, Allentown, and Easton from KDG. For over 16 years, the tech experts at the Lehigh Valley technology solutions company have helped generationally owned businesses keep their data safe, their networks secure, and their computer systems running smoothly.

Lehigh Valley businesses can find IT support in Allentown from KDG.

“We know that data security and cyber safety are a huge concern for small businesses,” says Pat Whalen, head technical analyst at KDG. “We take the worries of technology management off business owners’ minds by serving as internal help desks.”

We take the worries of technology management off business owners’ minds.”

Pat Whalen, Head Technical Analyst

The [Allentown IT support](#) team performs system audits, network repairs, mail migration, VPN installations, and much more. For Lehigh Valley businesses, the team can be onsite for support, walking business owners through different issues and answering their questions.

“Anything an internal small business IT support team would do, we are able to handle,” continues Whalen.

KDG has already performed Lehigh Valley IT support for businesses like Jalfo, Casilio Concrete, and Josh Early Candies. Beyond the Lehigh Valley, KDG has also performed IT support for small businesses in Bucks County. The team at KDG is a certified Google Cloud Partner, a Microsoft Partner, and a member of the Googler Reseller-Partner Program.

Lehigh Valley and Bucks County businesses who are in need of small business IT support and tech management should contact KDG: <http://www.kyledavidgroup.com/contact>

About KDG: KDG (formerly the Kyle David Group) has served small and medium-sized family businesses and closely-held private enterprises throughout the Lehigh Valley and beyond for over 16 years. Small business IT support, [custom software development](#), onsite training, web design, solutions for accounting and human resources, and project management are but a few of the services

they provide.
